This new collection is a celebration of obsession in all its forms. some of the best gay writers at work today write tell-all memoirs of being seduced by the luscious, often dangerous, game of obsession and reveal their secret fantasies, elusive loves, and titillating, taboo encounters. Enter into a world of pain, passion and obsession with the male anatomy and encouraging women to become sexually empowered and confident in the bedroom...I'm Firehead AKA Best Mouth in the South. Join me on my true erotic story about how I discovered MY inner pornstar, MY most prominent sexual experiences, and my ADDICKTION to satisfying the male anatomy orally. Suck, Slurp, Swallow and Follow..... Jessie is a love story, set on an exotic island in the South Pacific. It is essentially a work of fiction, but is based on real events. Although tender and romantic, it is much raunchier than any bonkbuster you've ever read - Jilly Cooper & EL James go weep - so you don't have to flick through pages and pages of boring narrative to get to the naughty bits. That said, It contains very strong language and many scenes of a sexually explicit nature both heterosexual and lesbian and should not be perused by persons who find such material objectionable. Two sisters meet the father they have never known. Barely out of their teens, they fall in love -- as women. Daddy is a father's searing confession of the forbidden love affair with his daughters. Diary of a Rope Slut combines memoir & erotica as Bingham offers rollicking sexual adventure & self-discovery while she explores the search for love with a kinky twist. Reflecting on her first thirty rope encounters, Bingham takes the reader deep into the world of BDSM. The longing for intimacy & connection explored while she's there is universal. The sequel to the acclaimed memoir Book of Shadows is ready to enchant readers in paperback. Includes spells, potions, techniques of sexual magic, and rituals for love. This book pairs my erotica with the true story of my intimate relationships and then adds my analysis of the main themes around trauma, emotional skills, and authenticity. Nietzsche said 'That which doesn't kill us, makes us stronger'. My story bears this out on more than one occasion. My erotica is as intense and challenging as is my life story. It is full of BDSM, fetish, and power exchange dynamics. The lines between the fantasy and my lived reality are easy to blur. I hope that this book will excite, inspire and open doors. There is light no matter how long you have been in the darkness. It is a matter of learning how to kindle the flame and light the torch. We are all works in progress, can learn from our patterns and develop new skills no matter what stage we are at in life. It remains my mission to take sex and conversations about sex from the shadows to the light. Frustrated at home, Charlie Doyle spends a decade pursuing his sexual desires. Conversations gleaned from his journal provide a fascinating insight into the world of online dating and relationships. A true alpha male sex story, part inspiration, part memoir, part naughty romance. A collection of over 18 uncensored short stories describe steamy role-play adventures and exciting BDSM and fetish experiences from that time. Online chat dialogues explore the barriers confronting modern contemporary relationships while explicit sex scene chapters imagine the erotic liaisons that follow when two people finally meet. After 15 years of corporate office life, Charlie Doyle's kinky fantasies revolve around 'The Boss and Mistress' role plays which invariably lead to his 'Sexy Secretary' being disciplined in a number of office scenarios. Stockings and

suspenders, high heels and split skirts feature in every way possible, but he must keep his mind on the job and his hands on the keyboard. Unable to pursue those imagined day dreams during 'The Office' years, finally unchained, he leaves the stuffy corporate world behind. Reveling in his new found freedom, lust drives his wild secret desires, where the journey begins on his 'Decade of Desire.' Online, he discovered that his taboo world was always out there, a world where submissive sexy 'secretaries' were more than happy to be bent over his desk and surrender to his bare bottom discipline, while enjoying many shades of grey in his fantasy business world. With each new partner, together, they explored the older man younger woman 'Daddy' dynamics of dominance, submission, humiliation, and bound restraint. Pushing boundaries and releasing control, dark erotic imaginations satisfied them both. The Charlie Doyle Diaries, record the fantasies and erotic spanking experiences of that time. An unputdownable, sexy contemporary romance novel where accidental love spills over from intense sexual desires. Strippers, zombies, fugitives and jewel thieves. These were just some of the characters who inhabited the weird, wild films of director Stephen C. Apostolof in the 1960s and 1970s. But Apostolof's own life was every bit as improbable as the plots of his lurid movies. Escaping the clutches of the communists in his native Bulgaria, he came to America in 1952 and decided on a whim to reinvent himself as a Hollywood filmmaker, right down to the cigars, sunglasses and Cadillacs. He produced a string of memorable sexploitation classics, including the infamous Orgy of the Dead. Along the way, he married three times, fathered five children and forged a personal and professional relationship with the notorious Ed Wood, Jr. Drawing on rare archival material and interviews with those who knew him best, this first biography of Apostolof chronicles the life and career of a cult film legend. Susan Winemaker has lived a life that many women secretly desire, but few admit to... Concertina is the tale of a young chef who abandons her life in the restaurant kitchens of London to satisfy an appetite of a different kind and become one of the most well-known and respected dominatrixes on the city's S&M scene. This is a delicious memoir from Susan Winemaker that spans five years, employs all the tools of her various trades -- copper bowls, tarte pans, nipple clamps, rubber panties, and, of course, the finely-made leather whip - to take the reader inside the world of sadomasochism and its players. Pleasure comes in a variety of flavors and Winemaker is unflinching in the description of her clients' desires from bondage and beating to cross-dressing, humiliation and beyond. The only thing that's off-limits is love, but of course, love always intrudes, even in the life of a successful dominatrix. She falls in love with Adam - a high-powered, beautifully-muscled, buttoned-down City executive - addicted to the extreme physical sensations only Susan can give him. And, in response, Susan becomes addicted to a feeling she never had for any of her other clients. Is it love or lust? As they take their games of erotic exploration out of the dungeon and into their everyday lives, the consequences of falling in love and removing the bonds of the dungeon exact their price and Susan ends her journey somewhat the wiser about herself - both in the bedroom and the kitchen. Concertina is a smart, stylish, witty and eloquent exploration of one woman's journey and obsession that will leave readers questioning their own appetites and desires. This Thing Called Love is an erotic memoir. Addicktion is an erotic memoir that takes a deeper look into the mind of my alter ego. Her name is Firehead. The self proclaimed Best Mouth in the South and it's time for the world to meet her. My oral obsession has been discovered and cultivated into a sexual cure for all of the mental, physical, and spiritual ailments I encountered through my years in the adult entertainment industry. I'm ready to share my erotic adventures with YOU! Get prepared for the pleasures, the shockers, the pains, and the orgasms.... From Behind The Glitter Curtain: An Erotic Memoir, breaks the boundaries. Think HBOs Sex and the City meets HBOs Insecure. FBTGC is sexy, funny, and real. Carolyn Toney straps you in and takes you on a roller-coaster journey of sexuality and self-love. At times you'll feel like you're reading an erotic novel, and just when you're at your peak, she swiftly transports you to a comedy show. She beautifully weaves in stories of heartbreak, bad sex, self-harm, therapy, and racism to remind you that you're reading stories that someone actually lived. From losing her virginity to coming to grips with her sexuality to the headaches of online

dating, ghosting culture, and unrequested dick pics, she discusses it all. Not shying away from uncomfortable topics, she addresses sex education and sex-positivity from a human perspective, with no judgments, just facts. She refers to herpes as glitter, a whimsical reference for herpes (because it lasts forever). It's discussed so openly and candidly, it will make you question, Why is there a stigma in the first place? From STD/Is to feminine issues to self-pleasure, she steps from behind the glitter curtain to let you know you're not the only one, and it's going to be OK. This book is honest, vulnerable, and unapologetically human. From *The Story of O* to *The Sexual Life of Catherine M*, readers have been enthralled with sexually subversive memoirs by women. Here, Toni Bentley recounts her experiences when she meets a lover who introduces her to a radical and unexpected pleasure. Solomon and Higgins have chosen excerpts from the great philosophical texts and combined them with the most exciting new work of philosophers writing today. It examines the mysteries of erotic love from a variety of philosophical perspectives and provides an impressive display of wisdom that the world's best thinkers have brought, and continue to bring, to the study of love. Few women do it and even fewer will admit to it. But in Toni Bentley's daring and intimate memoir, *The Surrender*, she pulls the sheets back on an erotic experience that's been forbidden since the Bible and celebrates "the joy that lies on the other side of convention, where risk is real and rapture resides." From *Story of O* to *The Kiss* to *The Sexual Life of Catherine M.*, readers have been enthralled with sexually subversive memoirs by women. But even those erotic classics didn't navigate the psychosexual terrain that Bentley does when she meets a lover who introduces her to a radical and unexpected pleasure, to the "holy" act that she came to see as her awakening. *The Surrender* is a witty, intelligent, and eloquent exploration of one woman's obsession that will be sure to leave readers questioning their own desires. Krissy Kneen loves sex . . . and she's not afraid to talk about it. In this sometimes hilarious, sometimes poignant, and sometimes terrifying memoir, she traces the arc of her sexual life — from her childhood in a sexless household to the myriad sexual encounters of her young and adult life to the present, in which she is a married (and monogamous) 40-year-old woman. Raised by a group of protective and eccentric women who expressly forbade any and every sign of sexuality, Krissy — an unusually sensual young girl — discovered early on that illicit pleasures are the best kind. Affection follows the path of Kneen's life journey, from the compulsive sexual self-exploration of her childhood to her experiences as a young woman for whom the world is a sexual playground. Underlying the jaw-dropping details of her many sexual escapades is Kneen's examination of how her sense of self shapes and is shaped by those experiences, and of her struggle to satisfy her own needs in the face of a limiting, and often judgmental, society. Affection is a frank, often erotic look at one woman's sexuality as she grows and changes in a world that continues to see only the young and the beautiful amongst us as sexual beings — and a chronicle of her refusal to conform to that misconception. *A Real Life BDSM Memoir: Laura, 27, lingerie model whoring in a fancy bordello to pay off her husband's gambling debt meets Jeffrey, 33, Apple Records media wizard and creator of the celebrated sex magazine, Puritan, and so begins this true shameless hilarious erotic cyclone.* "Funny, salacious, perversely-dare I say it? Uplifting!" From the Foreword bequeathed by Norman Mailer "One of the best non-fiction works I've ever read." From the Introduction by Legs McNeil This book contains the entire text of two classic erotic novels, *Blue Angel Nights* and *Blue Angel Secrets*. Originally published in 1931 as *The Pleasure Garden*, these two novels describe the lascivious side of two of the most infamous eras in world history: Germany of the 1920s and Hollywood of the 1930s. With an unsparing eye on actors and aristocrats, students and showgirls, in cafes and salons and at backstage parties in pleasure boudoirs, *Blue Angel Confessions* describes a time when even the most outlandish proposal was likely to find an eager accomplice. The novel works as an erotic satire on German society, religion, and politics, with a particularly harsh view of the rise of the National Socialist Party. Von Falkensee's biting prose has at times been compared to Voltaire and Kafka and is always as intelligent as it is erotic. In this highly erotic and sexually explicit memoir, Jason Gramme, a still sexually active eighty-eight-year-old, provides heterosexual, homosexual, lesbian, and bisexual men and women with a sensually arousing life story. Gramme recalls vividly sexual experiences over a seventy-five-year period, all woven through with numerous personal encounters that led to unexpected but very welcomed sex. Anyone of any age, whose sexual fantasies are alive and well or those whose fantasies need stimulation, will greatly enjoy reading this provocative book. The sensational erotic memoir that shocked the world, now a Serpent's Tail Classic. Imagine lovemaking

that transcends Separation between you and your lover, and moves you both into the realm of dancing with the Infinite. What if the path to awakening could be deliciously sensual? In *Tigress and Dragon* of a Hundred Lifetimes, two lovers begin an adventure of healing that leads them to awakening to their true natures through pleasure and connection. Esme and Terence meet for the first time at a Tantra workshop and experience instant kismet - a feeling that they had known each other many lifetimes before. They are strongly drawn to each other and begin to reawaken and explore their shared knowledge of ancient, sacred, and secret sexual teachings. Through their explorations together, they rediscover a form of lovemaking that transcends time, space, distance, physical capacities and limitations, and allows souls to connect as pure essential consciousness. Join Esme and Terence as they journey through time and space and across past, present and future lifetimes to embark on their own hero's journey. On their cosmic adventure, Esme and Terence learn the secrets of sacred sexuality, intimacy, sovereignty and healing. This book is based on a true story of modern lovers who have experienced miraculous growth through relationship. It is intended as a healing offering for others who are navigating personal growth and relational intimacy. It provides a blueprint on how to integrate your sexual life with your spiritual practice. This book is for you if you are longing for deep connection with yourself and with a lover. Amelia meets her neighbor, Josh, a friendly good looking man who turns out to have some secrets. These secrets lead Amelia from a life of mundane routine to one of excitement and fun; while sexually empowering her through her discovery of what she really needs, and who she really is - a submissive. This is an erotic memoir of a young woman who discovers she's bi-sexual when she's just eighteen years of age. When she leaves Kansas to study in New York at a Broadway Theater school, she meets Jenny on the flight. Jenny will also be studying theater in New York. Androgyny is financially affluent, and her mother has agreed to finance Androgyny's education and living expenses in New York, so the two find a place to live, and move in together. Androgyny has multiple sexual relationships with men and women, and on several occasions, threesomes, but she leads a precarious sexual life that lacks any kind of commitment. After a successful career in the theatre, Androgyny is now a household name, but what real success has life brought her? 'We both knew it was up to him to lead. He took his time ... I had never been so consciously vulnerable in my life. And now I had to enter a place where I trusted this man completely. Trusted him not to actually abuse me. Trusted him not to hurt me. It was a fine line. How would he or I know when to stop? How far would we go now we had started? Would I be in danger? I could already feel the drama of the compulsion to explore...' In March 1982, 23-year-old Stella Black meets her ultimate match. He is an insanely rich, older man, with all the luxuries life has to offer at his disposal, and yet he yearns for just one thing: Stella. Together, they embark on a daring sexual journey that proves breathtakingly erotic. As Stella explores her submissive side, she finds herself falling deeper than she could ever have imagined. Based on the author's own diaries, this is a real-life *Fifty Shades* with a difference. A frank, thoughtful and beautifully written erotic memoir by an exciting new Australian writer, Affection is the true story of a woman, her body and the extraordinary adventures they've shared. Come along for the ride as Lexi Knight, at age 40 and married to her high school sweetheart, embarks on an erotic personal journey of self-discovery via sexual exploration. In equal doses of passion, frankness, humor and heart, Lexi encounters a brave new world of sex, dating, and romance with a bevy of men she meets through Tinder during an unprecedented era of hook-up culture, social media, and sexting. As one-night stands with awkward strangers, trysts with fantasy lovers, and pseudo-romances ensue during a hot and wild San Fernando Valley summer, Lexi grows to love and enjoy her body and redefine herself as a sexual woman in the prime of her life. "My Secret Life is by far the most famous and the longest sexual autobiography written in the nineteenth century. It has in it invaluable material for social and cultural historians, literary scholars, students of manners and morals-and it has more of what we might call 'encounters' than any narrative ever penned in English." (From the Introduction by James Kincaid, 1996. New York: Signet Classic - Penguin Putnam.) First published in 1901 entitled "The Dawn of Sensuality," it has been published in many forms and titles, and seized by censors and police. until it was eventually published in the United States without censorship in 1966 by Grove Press. But in 1969 a British printer, Arthur Dobson, was sentenced to two years' imprisonment for producing a reprint in Great Britain. It was not until 1995 that the work in its entirety was published openly in the UK by Arrow Books. My Secret Life has been described as "one of the strangest and most obsessive books ever written. From Behind The

Glitter Curtain: An Erotic Memoir breaks the boundaries. Think HBO's Sex and the City meets HBO's Insecure. FBTGC is sexy, funny, and honest. A collection of stories about self-love, sexual health awareness, and navigating emotions: Carolyn Toney straps you in and takes you on a journey of life and sexuality written with a comedic flair. From the graphic sexual descriptions that will make you blush to the abrupt and unforeseen pitfalls that dating in the digital era come with, she retells stories of heartbreak, therapy, and racism to remind you that you're reading stories that someone actually lived. The book champions sex-positivity, putting yourself first, and not shying away from uncomfortable topics, like being herpes positive. Some refer to being positive within the herpes-positive community as having glitter -You know because glitter lasts forever. By bringing the virus to the front of the conversation, she hopes that the stigma can one day be broken. She discusses her diagnosis so candidly it will make you realize how common it is, and it will make you question, Why is there a stigma in the first place? From Behind The Glitter Curtain is her literary coming-out story. This book is honest, vulnerable, and unapologetically human. Suzanne's journey of self-discovery is anything but typical; her attitude towards sex and relationships even more unusual. The

Butcher, The Baker, The Candlestick Maker is a story that is shocking and heart-warming in equal measure. Freed from the restraints of marriage and monogamy, Suzanne takes pleasure without commitment and tells her story without a trace of shame. She's not looking for Prince Charming anymore, but fun. And she finds it. This book analyses the impact of postfeminist discourse and the mainstreaming of pornography on our understanding of intimacy and female sexuality. It is a broad critical survey of a recent publishing phenomenon - the female-authored erotic memoir - and positions the texts under analysis as complex and contradictory expressions of popular feminism. Sineater is a little book that contains the erotic moments I remember shaping my womanhood. Beginnings and endings. Tiny moments that define everything. Poetry that describes two lovers entangled, throats exposed; the ineffable birth and death moments of these affairs of the heart. It's a compilation of works in progress. An amuse bouche if you will. Excerpts from Sylph, Muse and Virago, two erotic volumes pending publication Christmas 2013. The author is working on a novel entitled The Summer I Wasn't There.
