A Modern Grammar for Biblical Hebrew is a complete revision of Duane Garrett's respected 2002 release originally entitled A Modern Grammar for Classical Hebrew. In addition to the revisions and contributions from new coauthor Jason DeRouchie, the book now includes the answer key for an all-new companion workbook and an updated vocabulary list for second year Hebrew courses. Basics of the Biblical Greek is an entirely new, integrated approach to teaching and learning New Testament Greek. It makes learning Greek a natural process and shows from the very beginning how an understanding of Greek helps in understanding the New Testament. Basics of Biblical Greek: combines the best of the deductive and the inductive approaches, explains the basics of English grammar before teaching Greek grammar, uses from the very beginning parts of verses from the New Testament instead of 'made-up' exercises, includes at the beginning of every lesson a brief devotional, written by a well-known New Testament scholar, that demonstrates how the principles taught in the lesson apply directly to an understanding of the biblical text, is the most popular first-year Greek course used in colleges and seminaries today, comes with an interactive study aid CD-ROM, containing an eight-minute greeting from the author and the fun, helpful, and graphical vocabulary-memorizing program 'Learning the Basics of Biblical Greek' (runs on Power Mac and Windows 95), where you can hear Greek words pronounced and sung in more than 200 familiar hymns. The CD-ROM also contains the powerful Greek vocabulary-drilling programs Flashworks(TM) and Parseworks from Teknia Language Tools (runs on Macintosh and Windows 3.1 and 95). A separate workbook is also available. And complimentary teacher helps are located on the author's website (<http://www.homeschooling.org>). Zen was popularized in the West largely through the writings of Dr. D.T. Suzuki, who followed the school of Rinzai Zen. Although it remains relatively unknown in the West, Soto Zen eventually attracted the greatest number of followers in Japan. With its gentle, more intellectual approach, Soto Zen relies on deep meditation (zazen) rather than the "sudden," direct method (using koan) of Rinzai Zen, in striving for enlightenment. The Shobogenzo Zuimonki consists largely of brief talks, horatatory remarks, and instructional and cautionary comments by the Soto Zen Master Dogen (1200-1253). Translated, shobogenzo means "the eye of the true law." Roughly translated, zuimonki means "easy for the ears to understand," or "simplified." This book is designed in a simple, straightforward way to teach you this ancient language. In thirty lessons, you will be given enough information and practice to enable you, with the aid of a Hebrew-English dictionary, to understand most biblical texts. As you progress through vocabulary, exercises, and grammar, you will discover and delight in the clear, strong rhythms of original Hebrew -- a joy unattainable through reading even the best translations. An honest, fair, and thorough discussion of the issues raised in

Jewish Christian apologetics, covering thirty-five objections on general and historical themes. This updated workbook is designed with the student in mind and intended for use with the standard-setting Basics of Biblical Hebrew Grammar textbook, now in its third edition. In addition to corresponding to the revisions and updates in Basics of Biblical Hebrew Grammar, this workbook includes significant changes to the interior presentation; less unnecessary questions and exercises; and six reading texts interspersed among the exercises for the derived stems. The workbook is an essential chapter-by-chapter companion and includes helpful exercises and translation homework. As students complete the assignments in the workbook, the concepts they have been learning from the main grammar are reinforced, making this an invaluable study tool to enhance student learning. A comprehensive, step-by-step textbook teaching modern Hebrew language and grammar, geared especially to the needs of the English speaking student. For use in the classroom as well as for anyone who wishes to teach himself. Newly revised and expanded. Children want to talk about God. They have lots of questions. Parents and teachers are often afraid to talk about God because they have their own questions. This book was written to let teachers and parents feel comfortable having the conversations that their children are asking. Six wonderful rabbis were invited to write answers, many in the form of stories, to these questions. Exercises were added to expand the process and encourage children to reflect and share, looking at their experiences of God in the world. The end result, with beautiful illustrations by Michelle Noiset, is a collection of wonderful stories and hands-on experiences. In this volume a leading biblical scholar helps readers rediscover the ancient books of the Old Testament Apocrypha. INVITATION TO THE APOCRYPHA provides a clear, basic introduction to these important--but often neglected--ancient books that is ideal for personal study, churches, and classroom settings. Using the latest and best scholarship yet writing for those new to the Apocrypha, Daniel Harrington guides readers through the background, content, and message of each book. A distinctive feature of this primer is that it focuses throughout on the problem of suffering, highlighting what each book of the Apocrypha says about this universal human experience. Lessons and games to teach the reader Hebrew. Offers an inspirational and compassionate approach to understanding the problems of life, and argues that we should continue to believe in God's fairness. Use these black-line masters after a primer to diagnose and remediate Hebrew reading problems for student who have already learned the Hebrew letters and vowels Learning Biblical Hebrew focuses on helping students understand how the Hebrew language works and providing a solid grounding in Hebrew through extensive reading in the biblical text. Provides self-instruction for adults desiring a reading knowledge of Hebrew. The best of both deductive and inductive approaches introducing students to the basics of Biblical Hebrew. In the tradition of The Year of Living Biblically by A.J. Jacobs and Walking the Bible: A Journey by Land Through the Five Books of Moses by Bruce Feiler comes Abigail Pogrebin's My Jewish Year, a lively chronicle of the author's journey into the spiritual heart of Judaism. Although she grew up following some holiday rituals, Pogrebin realized how little she knew about their foundational purpose and contemporary relevance; she wanted to understand what had kept these holidays alive and vibrant, some for thousands of years. Her curiosity led her to embark on an entire year of intensive research, observation, and writing about the milestones on the religious calendar. Whether in search of a roadmap for Jewish life or a challenging probe into the architecture of Jewish tradition, readers will be captivated, educated and inspired by Abigail Pogrebin's My Jewish Year. This book is designed in a simple, straightforward way to teach you this ancient language. In thirty lessons, you will be given enough information and practice to enable you, with the aid of a Hebrew-English dictionary, to understand most biblical texts. As you progress through vocabulary, exercises, and grammar, you will discover and delight in the clear, strong rhythms of original Hebrew -- a joy unattainable through reading even the best translations. The Story of Hebrew explores the extraordinary hold that Hebrew has had on Jews and Christians, who have invested it with a symbolic power far beyond that of any other language in history. Preserved by the Jews across two millennia, Hebrew endured long after it ceased to be a mother tongue, resulting in one of the most intense textual cultures ever known. Hebrew was a bridge to Greek and Arab science, and it unlocked the biblical sources for Jerome and the Reformation. Kabbalists and humanists sought philosophical truth in it, and Colonial Americans used it to shape their own Israelite political identity. Today, it is the first language of millions of Israelis. A major work of scholarship, The Story of Hebrew is an unforgettable account of what one language has meant and continues to mean. NEW 2018 EDITION! This introductory textbook covers the basics of Hebrew grammar,

then it leads the student through readings from the Old Testament. The readings review, apply, and supplement earlier material, and insure that the student can enjoy the Hebrew Bible once the course is finished. Written with the learning needs of the student in mind, grammatical rules are kept to a minimum, with more comprehensive lists in the appendices. Features not found in other beginning Hebrew grammars include: 1. A section on verbless clauses; 2. Complete declensions of the prepositions with pronominal suffixes; 3. English translations of verb conjugations; 4. Successive verb conjugations are compared in parallel columns; 5. Description of verb syntax that utilizes recent advances; 6. Appendices describing the Verb Stems, Syntax, Parsing, etc. Also available are a Workbook (ISBN 978-1-935931-76-8) and an Answer Key (ISBN 978-1-935931-75-1). "A Hebrew Reader for Ruth presents the complete Hebrew text of the book of Ruth, a verse-by-verse translation, and an analysis of every word, including its form, morphology, meaning, and syntax. Further, utilizing all of the standard reference grammars, Vance cites every discussion of Ruth found in them, usually including the discussion itself in quotation or in summary." "A Hebrew Reader for Ruth is intended for classroom and personal study. The book of Ruth makes an excellent first text for students of Classical Hebrew. First, it uses for the most part standard morphology, syntax, and vocabulary, including a number of feminine verb forms. Second, Ruth is an interesting and well-crafted story, whose character and plot development keep students interested, and introduces them to many of the techniques of biblical Hebrew narrative. Finally, Ruth is a manageable length, which realistically allows its use in a semester."--BOOK JACKET. Title Summary field provided by Blackwell North America, Inc. All Rights Reserved This new primer offers a succinct, single-volume introduction to biblical Greek that has already been tested in classrooms around the country. Divided into 32 separate lessons, each containing a generous number of exercises, the text leads students from the Greek alphabet to a working understanding of the language of the Bible. Charts of Biblical Hebrew provides students of biblical Hebrew with a unique, highly visual study aid for learning the language. This innovative language resource contains 130 of the most vital Hebrew-learning charts in order to accomplish two things: To simplify grammatical presentation as much as possible. To present the basics of biblical Hebrew as thoroughly as possible. Featuring two color design, Charts of Biblical Hebrew is cross-referenced to Pratico and Van Pelt's Basics of Biblical Hebrew and may be used with other first-year biblical Hebrew textbooks as well. The charts are also an ideal means of review for advanced students. Zondervan Charts are ready references for those who need the essential information at their fingertips. Accessible and highly useful, the books in this library offer clear organization and thorough summaries of issues, subjects, and topics that are key for Christian students and learners. The visuals and captions will cater to any teaching methodology, style, or program. Describes ethical problems from everyday Jewish life and supplies pertinent material for solving them according to Jewish law. This book is designed to cover one year's work in Hebrew leading up to a full understanding of the language. It has been used by the author with his students for many years and the published text is the result of testing and refining over these years. Every attempt has been made to make the grammar clear and simple. For example, all Hebrew words are transliterated, as well as being given in the original for the first three-quarters of the book. The grammatical discussion is made as unsophisticated as possible for it is the author's intention that this book should also be of use to those who study Hebrew without a teacher. The Learning Biblical Hebrew Workbook is an essential companion for students using Learning Biblical Hebrew: Reading for Comprehension. The workbook includes guided readings tailored to the growing knowledge of the student using the introductory grammar. After the opening chapters containing grammar exercises to reinforce basic concepts, students begin reading actual Hebrew text based on the Joseph story from Genesis 37:50. The text has been abridged and modified to present students with a text that they can read with minimal help. The readings are accompanied with three types of annotations: the Hebrew root or lexical form, an English gloss, or grammatical and textual explanations. The notes are provided to facilitate reading comprehension by identifying unfamiliar words and concepts. As familiarity with vocabulary and grammar increases, the readings are modified less and less until students are essentially reading the standard Hebrew text used in most Hebrew Bibles today. After completing the beginning Biblical Hebrew reader based on the Joseph story, students move on to the intermediate Biblical Hebrew reader that includes the books of Ruth, Jonah, and Esther. The continuous practice of reading Biblical Hebrew text is an essential part of truly understanding and experiencing what you read. The Learning Biblical Hebrew Workbook provides that essential reading practice that will make your study of Biblical Hebrew come

alive. Reprint of the original, first published in 1871. The publishing house Anatiposi publishes historical books as reprints. Due to their age, these books may have missing pages or inferior quality. Our aim is to preserve these books and make them available to the public so that they do not get lost. This three-volume course is the ideal Hebrew program for English-speaking high school college and adult education students. The only entry requirement is the ability to recognize Hebrew letters and to read basic words. This course requires only one or two hours of class time each week.
