Night of the Highland

Dragon Sep 08 2021 "They

say," said the girl, "that people

disappear up there. And I

heard that the lady doesna'

ever grow any older." "The

lady?" William asked. "Lady

MacAlasdair. She lives in the

castle, and she's been there
years, but she stays young and

beautiful forever." In the

Scottish Highlands, legend is
as powerful as the sword-and

nowhere is that more true than
in the remote village of Loch

Aranoch. Its mysterious ruler,

Judith MacAlasdair, is fiercely

protective of her land-and her

secrets. If anyone were to find

out what she really was, she

and her entire clan would be

hunted down as monsters.

William Arundell is on the trail

of a killer. Special agent for an
arcane branch of the English

government, his latest

assignment has led him to a

remote Highland castle and the

undeniably magnetic lady who

rules there. Yet as lies begin to

unravel and a dark threat

gathers, William finds himself

drawn deeper and deeper into

the mystery of the

Highlands...and the woman he

can neither trust nor deny. He

prays she isn't the murderer;

he never dreamed she was a

dragon. The Forever War Feb 01 2021
Private William Mandella is a

hero in spite of himself--a reluctant conscript drafted into an elite military unit. He never wanted to go to war, but the leaders on Earth have drawn a line in the interstellar sand--despite the fact that their fierce alien enemy is unknowable, unconquerable, and very far away.

Forever Free Dec 23 2022 "A well-written and worthy sequel to one of SF's enduring classics"—the Nebula Award winner *The Forever War*—now with a bonus story, "A Separate War" (Publishers Weekly). On virtually every list of the greatest military science fiction adventures ever written, Joe Haldeman's Hugo and Nebula Award-winning classic, *The*

Forever War, is ranked at the very top. In *Forever Free*, the Science Fiction Writers of America Grand Master and author of the acclaimed *Worlds* series returns to that same volatile universe where human space marines once engaged the alien Taurans in never-ending battle. While loyal soldier William Mandella was fighting for the survival of the human race in a distant galaxy, thousands of years were passing on his home planet, Earth. Then, with the end of the hostilities came the shocking realization that humanity had evolved into something he did not recognize. Offered the choice of retaining his individuality or

becoming part of the genetically modified shared Human hive-mind, Mandella chose exile, joining other veterans of the *Forever War* seeking a new life on a wasteland world they called Middle Finger. Making a home for themselves in this half-frozen hell, Mandella and his life partner, Marygay, have survived into middle age, raising a son and a daughter in the process. Now, the dark truth about the colonists' ultimate role in the continuation of the Human group mind will force Mandella and Marygay to take desperate action as they hijack an interstellar vessel and set off on a frantic escape across

space and time. But what awaits them upon their return is a mystery far beyond all human—or Human—comprehension . . . In *Forever Free*, Joe Haldeman’s stunning vision of humankind’s far future reaches its enthralling conclusion in a masterwork of speculation from the mind and heart of one of the undisputed champions of hard science fiction. And in the bonus story included in this volume, “A Separate War,” Marygay, reassigned and separated from her lover, Mandella, continues fighting in military engagements across the stars—all the while planning how she and Mandella can reunite despite the time

and space between them. [Sons Come and Go, Mothers Hang in Forever](#) Oct 21 2022 **Masterpieces of British Literature** Sep 27 2020 [The Highlander's Lass](#) Mar 26 2023 Highland love is never fickle... Mairi Douglas’s daily life consists of digging up potatoes and turnips, of cleaning chamber pots, and making beds. And dreaming of a life with the young man she’s smitten with. Until the death of those dreams come about swiftly and painfully when said young man proves himself a faithless wretch. She sends a message out begging for her removal from the keep of Calan Stewart so that her heart can heal somewhere far away from

the daily vision of the wretch’s infidelity. Elliott MacPherson, the laird’s cousin has been sent to Clan Stewart’s keep to deliver a message, but most assuredly not the message that Mairi Douglas is expecting. Unfortunately, he bears witness to Mairi’s humiliation which puts him on the wrong side of the sharp tongue of the short-fused red-haired beauty. To complicate matters, he’s to escort her away in the midst of intrigue and treachery while women are vanishing from the highlands without leaving so much as the tiniest of clues. **The Hudson River Highlands** May 16 2022 Discusses the area's folklore and history, its portrayal in art, the role of

West Point as a gateway to America, and the creation of Bear Mountain Park.
