The Last of Us:  
American Dreams  
Hiding the Elephant  
  
Before The End of  
the World As We  
Know It, you'll want  
to read this book.  
After the last few  
years of ethnic  
hatred, tsunamis  
and financial  
meltdown, Neil  
Strauss came to the  
sobering realisation  
that anything can  
happen. Emergency  
traces his white-  
knuckled journey to  
reinvent himself as  
a gun-toting, plane-  
flying, government-  
defying survivor. If  
you want to play  
The Game you need

to know The Rules  
Whatever  
experience level  
you have, whatever  
strengths and  
weaknesses,  
whether you're a  
virgin or a Don  
Juan, the stage has  
been set for you to  
perform at your  
highest capacity.  
The Stylelife  
Challenge is a  
simple, easy-to-  
follow guide to the  
best and fastest  
means of  
approaching and  
attracting women.  
Neil Strauss spent  
four years  
gathering this  
knowledge, living it  
and sharing it,  
testing the specific  
material in this  
book on over  
13,000 men of  
varying ages,  
nationalities and  
backgrounds. Part  
practical  
application and part

sequel, this is the  
further adventures  
of Style and his  
game techniques.  
In the mid-2000s,  
nightclubs in cities  
like New York, Los  
Angeles, London,  
and Melbourne  
became packed  
with well-dressed,  
toned, and tanned  
men, all spouting  
the same pickup  
lines. For these self-  
proclaimed pickup  
artists, the goal was  
not just to take  
home girls, but to  
become the world's  
leading guru in the  
art of seduction...

Kahuna healing methods to help us access the hidden energy of life, develop powers of concentration, and make friends with the deepest aspect of our being. Learn how your Higher Self, or aumakua, is contacted in the dream dimension. Get in touch with the Mana, the hidden energy of life. Develop higher powers of concentration by utilizing the tikis, created images of sight, sound, and feeling in meditation. Become aware of your subconscious, an integral part of your being, which impatiently awaits communion with the ego. Neil Strauss became famous to millions around the world as

the author of *The Game*, a funny and slyly instructive account of how he transformed himself from a scrawny, insecure nerd into the ultra-confident, ultra-successful “pickup artist” known as Style. The book jump-started the international “seduction community,” and made Strauss a household name—revered or notorious—among single men and women alike. But the experience of writing *The Game* also transformed Strauss into a man who could have what every man wants: the ability to date or have casual sex with almost every woman he met. The results were heady, to be sure. But they also

conditioned him to view the world as a kind of constant parade of women, sex, and opportunity—with intimacy and long-term commitment taking a back seat. That is, until he met the woman who forced him to choose between herself and the parade. The choice was not only difficult, it was wrenching. It forced him deep into his past, to confront not only the moral dimensions of his pickup lifestyle, but also a wrenching mystery in his childhood that shaped the man that he became. It sent him into extremes of behavior that exposed just how conflicted his life

had become. And it made him question everything he knew about himself, and about the way men and women live with and without each other. He would never be the same again. Searingly honest, compulsively readable, this book may have the same effect on you. Jack O'Brien is a high school basketball coach extreme in both his demands and his devotion. With monastic discipline, he has built a powerhouse program that wins state championships year after year while helping propel players to college. He does this as a white suburban guy working exclusively with black city boys who make the daily

trek across Boston to attend Charlestown High School, where the last battles of the city's school desegregation wars were fought a generation ago. The Assist is a gripping, surprising story about fathers, sons, and surrogates, all confronting the narrow margins of urban life. The book follows the players on their hunt for a state title. But it also stays with them, to see how young men who seldom get second chances survive without their coach hovering over them—and how he survives without them. Don't be content with simply learning what makes a great leader. Take the time to put in the

work building those character traits inside you. Why is it that most of the principles and ideas we are inspired with when we read leadership books rarely end up leaving the page? Because we've learned what successful leaders are doing, as well as why we should be implementing it ourselves, but we have no idea how we can specifically do all this in our unique circumstances. Leadership Step by Step walks you through what to do and how to do it by taking you through an integrated and comprehensive progression of exercises designed to cultivate key abilities, behaviors, and beliefs through

experience. By the end of the 22 exercises in this hands-on book, you will learn to: Build self-awareness Manage emotions Speak in an authentic voice Create meaningful connections Inspire others Each chapter opens with a story demonstrating a vital leadership skill. Then, it guides you through the process of developing that skill for yourself. Leadership Step by Step teaches you how to be that leader you've read so much about! From the author of Baseball 100 "A fascinating account of a man who outlasted the ignorance of a nation and persevered to become a beloved

figure...One of the best baseball books in years, filled with depth style and clarity."  
—Cleveland Plain Dealer An award-winning sports columnist and a baseball legend tour the country to recapture the joys and wonders of two of America's greatest pastimes When legendary Negro League player Buck O'Neil asked sports columnist Joe Posnanski how he fell in love with baseball, that simple question eventually led the pair on a cross-country quest to recapture the love that first drew them to the game. Baseball & Jazz recounts their emotional quest to find the heart of

America's beloved sport that still beats despite the scandal-ridden, steroid-shooting, money hungry athletes who currently seem to define the sport. At its heart is the story of 94-year-old Buck O'Neil—a man that truly played for the love of the game. After an impressive career in the Negro Baseball Leagues in which he earned two hitting titles and one championship, O'Neil made baseball history by becoming the first African-American coach in major league baseball. Posnanski writes about that love and the one thing that O'Neil cherishes almost as much as baseball: jazz. This heartwarming and

insightful journey is an endearing step back in time to the days when the crack of a bat and the smokey notes of a midnight jam session were the sounds that brought the most joy to a man's heart.

Instead of thinking about education as the mastery of a body of knowledge where the subject matter becomes the focus of our attention, *The Gamification of Higher Education* encourages us to think of it as a process that draws out the best in individuals and prepares them for happy, productive, and successful lives. It takes a graveyard to raise a child. Nobody Owens, known as Bod, is a normal

boy. He would be completely normal if he didn't live in a graveyard, being raised by ghosts, with a guardian who belongs to neither the world of the living nor the dead. There are adventures in the graveyard for a boy—an ancient Indigo Man, a gateway to the abandoned city of ghouls, the strange and terrible Sleer. But if Bod leaves the graveyard, he will be in danger from the man Jack—who has already killed Bod's family. Literary ombudsman John Crace never met an important book he didn't like to deconstruct. From Salman Rushdie to John Grisham, Crace retells the big books in just

500 biting satirical words, pointing his pen at the clunky plots, stylistic tics and pretensions of Big Ideas, as he turns publishers' golden dream books into dross. "One of the most admired men in the world of seduction" (*The New York Times*) teaches average guys how to approach, attract and begin intimate relationships with beautiful women. For every man who always wondered why some guys have all the luck, *Mystery*, considered by many to be the world's greatest pickup artist, finally reveals his secrets for finding and forming relationships with some of the world's

most beautiful women. Mystery gained mainstream attention for his role in Neil Strauss's New York Times bestselling exposé, *The Game*. Now he has written the definitive handbook on the art of the pickup. He developed his unique method over years of observing social dynamics and interacting with women in clubs to learn how to overcome the guard shield that many women use to deflect come-ons from "average frustrated chumps." *The Mystery Method: How to Get Beautiful Women Into Bed* shares tips such as: \*Give more attention to her less attractive friend at first, so your target

will get jealous and try to win your attention. \*Always approach a target within 3 seconds of noticing her. If a woman senses your hesitation, her perception of your value will be lower. \*Don't be picky. Approach as many groups of people in a bar as you can and entertain them with fun conversation. As you move about the room, positive perception of you will grow. Now it's easy to meet anyone you want. \*Smile. Guys who don't get laid, don't smile. NO MORE GAMES. IT'S TIME FOR THE TRUTH. Neil Strauss made a name for himself advocating freedom, sex and opportunity as the author of *The*

*Game*. Then he met the woman who forced him to question everything. Neil's search for answers took him from Viagra-laden free-love orgies to sex addiction clinics, from cutting-edge science labs to modern-day harems, and, most terrifying of all, to his own mother. What he discovered changed everything he knew about love, sex, relationships and, ultimately, himself. The Truth may have the same effect on you. Which sort of seducer could you be? Siren? Rake? Cold Coquette? Star? Comedian? Charismatic? Or Saint? This book will show you which. Charm, persuasion, the

ability to create illusions: these are some of the many dazzling gifts of the Seducer, the compelling figure who is able to manipulate, mislead and give pleasure all at once. When raised to the level of art, seduction, an indirect and subtle form of power, has toppled empires, won elections and enslaved great minds. In this beautiful, sensually designed book, Greene unearths the two sides of seduction: the characters and the process. Discover who you, or your pursuer, most resembles. Learn, too, the pitfalls of the anti-Seducer. Immerse yourself in the twenty-four manoeuvres and strategies of the

seductive process, the ritual by which a seducer gains mastery over their target. Understand how to 'Choose the Right Victim', 'Appear to Be an Object of Desire' and 'Confuse Desire and Reality'. In addition, Greene provides instruction on how to identify victims by type. Each fascinating character and each cunning tactic demonstrates a fundamental truth about who we are, and the targets we've become - or hope to win over. The Art of Seduction is an indispensable primer on the essence of one of history's greatest weapons and the ultimate power trip. From the internationally

bestselling author of The 48 Laws of Power, Mastery, and The 33 Strategies Of War. Step into the booth. Check your judgments at the curtain. Close your eyes. Listen: you can hear the voices of the visitors who sat here before you: some of the most twisted, drug-addled, deviant, lonely, lost, brilliant characters ever to be caught on film. What do you have to offer the booth? From the author of the blockbuster bestseller The Game: A shockingly personal, surprisingly relatable, brutally honest memoir, in which the celebrated dating expert confronts the greatest challenge he has

ever faced:  
monogamy and  
fidelity Most of us  
are told, from the  
moment we are old  
enough to  
understand a story,  
that there is a  
golden path waiting  
to take us safely  
through the jungle  
of life: get a good  
job, fall in love, get  
married, have  
children, and live  
happily ever after.  
It sounds simple  
enough. Yet as a  
species, we seem to  
have an incredibly  
difficult time  
making it happen.  
So, one day, I  
looked around and  
saw my friends  
frustrated and  
neglected in their  
marriages-some  
being unfaithful,  
others white-  
knuckling it, many  
surrendering to  
their fate, and a few  
living in denial. And

I saw myself still  
unmarried,  
childless, and, in  
the biggest  
disappointment of  
all to myself,  
cheating. And I  
wondered if it was  
possible to change  
the odds-and the  
rules-for myself . . .  
The story that  
follows, however, is  
not a journey that  
was undertaken by  
choice or for the  
purposes of a book.  
It is a painfully  
honest account of a  
life crisis that was  
forced on me by my  
own behavior and  
its consequences.  
And as such, it  
requires sharing a  
lot of things I'm not  
proud of-and a few  
things I feel like I  
should regret a  
whole lot more than  
I actually do.  
Because,  
unfortunately, I am  
not the hero in this

tale. I am the  
villain. Neil Strauss  
became famous to  
millions around the  
world as the author  
of *The Game*, a  
funny and slyly  
instructive account  
of how he  
transformed himself  
from a scrawny,  
insecure nerd into  
the ultra-confident,  
ultra-successful  
"pickup artist"  
known as Style. The  
book jump-started  
the international  
"seduction  
community," and  
made Strauss a  
household name-  
revered or  
notorious-among  
single men and  
women alike. But  
the experience of  
writing *The Game*  
also transformed  
Strauss into a man  
who could have  
what every man  
wants: the ability to  
date-and/or have

casual sex with-almost every woman he met. The results were heady, to be sure. But they also conditioned him to view the world as a kind of constant parade of women, sex, and opportunity-with intimacy and long-term commitment taking a back seat. That is, until he met the woman who forced him to choose between herself and the parade. The choice was not only difficult, it was wrenching. It forced him deep into his past, to confront not only the moral dimensions of his pickup lifestyle, but also a wrenching mystery in his childhood that shaped the man that he became. It

sent him into extremes of behavior that exposed just how conflicted his life had become. And it made him question everything he knew about himself, and about the way men and women live with and without each other. He would never be the same again. Searingly honest, compulsively readable, this new book may have the same effect on you. If you want to play the Game, you've got to know the Rules. In his international bestseller *The Game*, Neil Strauss delved into the secret world of pickup artists—men who have made a science out of the art of seduction. Now, in this

bestselling companion book, Strauss breaks down the knowledge he learned and techniques he invented into simple step-by-step instructions that anyone can follow to have success with women. This expanded one-volume edition of *Rules of the Game* includes a new preface and a whole new book of powerful, field-tested word-for-word routines, published here for the first time. You don't need money, looks, or fame to succeed with women. All you need is an understanding of how attraction works—and this thirty-day workout program for your

social skills, which has already guided tens of thousands of men from frustration to fulfillment. The notorious international bestseller. In *The Game*, New York Times and Rolling Stone journalist Neil Strauss reveals the bizarre world of the pick-up artist (PUA)—men who devote their lives to mastering the techniques of seducing women. Neil Strauss spent two years travelling in what is known as the ‘seduction community’, a secret society of men committed to becoming PUAs. He entered a world of bizarre and compelling characters, night after night approaching

countless new ‘targets’ until he had developed the ability to connect, almost immediately, with any woman who crossed his path. Within a matter of months, Neil Strauss—once a self-described average frustrated chump (AFC)—had transformed himself into Style, the king of the PUAs. Hysterical and harrowing by turns, filled with cameos from Britney Spears, Paris Hilton, Tom Cruise, Courtney Love, Heidi Fleiss, and others, *The Game* is the story of what happens when one man harnesses the power to seduce the most desirable women in the world—only to fall head over heels for a woman who can

beat him at his own game. Nineteen years ago, a parasitic fungal outbreak killed the majority of the world's population, forcing survivors into a handful of quarantine zones. Thirteen-year-old Ellie has grown up in this violent, postpandemic world, and her disrespect for the military authority running her boarding school earns her new enemies, a new friend in fellow rebel Riley, and her first trip into the outside world. \* The official lead-in to the game from Faith Erin Hicks (*The Adventures of Superhero Girl*) and *Naughty Dog's Neil Druckmann!* *The Game* recounts the incredible

adventures of an everyday man who transforms himself from a shy, awkward writer into the quick-witted, smooth-talking Style, a character irresistible to women. But just when life is better than he could have ever dreamed (he uses his techniques on Britney Spears, receives life coaching from Tom Cruise, moves into a mansion with Courtney Love and is officially voted the World's Number One Pickup Artist) he falls head over heels for a woman who can beat him at his own game. If you want to play The Game you need to know The Rules. This book is not a story. It is a how-to book. This Stylelife

Challenge is not meant to be read. It is meant to be performed. Whatever experience level you have, whatever strengths and weaknesses you may have, whether you're a virgin or a Don Juan, the stage has been set for you to perform at your highest capacity. The Stylelife Challenge is a simple, easy-to-follow guide to the basics of approaching and attracting women. The Challenge is simply what works best and fastest. Neil Strauss spent four years gathering this knowledge, living it and sharing it. He's tested the specific material in this book on over 13,000 men of

varying ages, nationalities and backgrounds. Part practical application and part sequel, this is the further adventures of Style and his game techniques. The result: A month-long workout program for your social, attraction, dating and seduction skills. Neil Strauss can uncover the naked truth like nobody else. With his groundbreaking book The Game, Strauss penetrated the secret society of pickup artists. Now, in Everyone Loves You When You're Dead, the Rolling Stone journalist collects the greatest moments from the most insane music interviews of all time. Join Neil

Strauss, "The Mike Tyson of interviewers," (Dave Pirner, Soul Asylum), as he Makes Lady Gaga cry, tries to keep Mötley Crüe out of jail & is asked to smoke Kurt Cobain's ashes by Courtney Love Shoots guns with Ludacris, takes a ride with Neil Young & goes to church with Tom Cruise and his mother Spends the night with Trent Reznor, reads the mind of Britney Spears & finds religion with Stephen Colbert Gets picked on by Led Zeppelin, threatened by the mafia & serenaded by Leonard Cohen Picks up psychic clues with the CIA, diapers with Snoop Dog & prison

survival tips from Rick James Goes drinking with Bruce Springsteen, dining with Gwen Stefani & hot tubbing with Marilyn Manson Talks glam with David Bowie, drugs with Madonna, death with Johnny Cash & sex with Chuck Berry Gets molested by the Strokes, in trouble with Prince & in bed with . . . you'll find out who inside. Enjoy many, many more awkward moments and accidental adventures with the world's number one stars in Everyone Love You When You're Dead. Nothing you have heard about The Game will prepare you for it. Neil Strauss reveals the bizarre world of the pick-up artist—men

who devote their lives to mastering the techniques of seducing women. None of this is fiction. These men have their own vernacular and codes of honour, they trade strategies online, attend each other's seminars and live together in houses around the world they call Projects. New York Times and Rolling Stone journalist Neil Strauss spent two years traveling in what is known as the 'seduction community', a secret society of men committed to becoming pick-up artists (PUAs). Through Internet newsgroups and international workshops, he entered a world of bizarre and

compelling characters—from charismatic leaders like Mystery and Ross Jeffries to the eccentric bachelors and arrested adolescents who followed their every lead. He spent night after night approaching countless new ‘targets’, until he had developed the ability to connect, almost immediately, with any woman who crossed his path. Within a matter of months, Neil Strauss—once a self-described average frustrated chump (AFC)—had transformed himself into Style, the king of the PUAs. Hysterical and harrowing by turns, filled with cameos from Britney Spears, Paris Hilton, Tom Cruise,

Courtney Love, Heidi Fleiss, and others, *The Game* is the story of what happens when one man harnesses the power to seduce the most desirable women in the world—only to find his own world crashing down around him. A compulsively readable account of one man’s discovery of the madness that lingers at the fringes of civilised interaction. It’s dating, but not as we know it. Terrorist attacks. Natural disasters. Domestic crackdowns. Economic collapse. Riots. Wars. Disease. Starvation. What can you do when it all hits the fan? You can learn to be self-sufficient

and survive without the system. \*\*I’ve started to look at the world through apocalypse eyes.\*\* So begins Neil Strauss's harrowing new book: his first full-length worksince the international bestseller *The Game*, and one of the most original and provocative narratives of the year. After the last few years of violence and terror, of ethnic and religious hatred, of tsunamis and hurricanes—and now of world financial meltdown—Strauss, like most of his generation, came to the sobering realization that, even in America, anything can happen. But rather than watch helplessly, he

decided to do something about it. And so he spent three years traveling through a country that's lost its sense of safety, equipping himself with the tools necessary to save himself and his loved ones from an uncertain future. With the same quick wit and eye for cultural trends that marked *The Game*, *The Dirt*, and *How to Make Love Like a Porn Star*, *Emergency* traces Neil's white-knuckled journey through today's heart of darkness, as he sets out to move his life offshore, test his skills in the wild, and remake himself as a gun-toting, plane-flying, government-defying survivor. It's a tale

of paranoid fantasies and crippling doubts, of shady lawyers and dangerous cult leaders, of billionaire gun nuts and survivalist superheroes, of weirdos, heroes, and ordinary citizens going off the grid. It's one man's story of a dangerous world—and how to stay alive in it. Before the next disaster strikes, you're going to want to read this book. And you'll want to do everything it suggests. Because tomorrow doesn't come with a guarantee... De La Salle High School in Concord, California, is home to perhaps the greatest dynasty in sports history. At

age 23, Coach Bob Ladouceur launched a legend, "The Streak," with no teaching or head-coaching experience, and with his teams amassed the highest winning percentage in all of football history with 138 consecutive victories. This book takes readers behind the scenes, closely following individual players, as Ladouceur guides his team through the most daunting schedule in school history, the 2002 season. Numerous interviews with major-league coaches such as Bill Walsh, Steve Mariucci, and John Gruden show the depth of respect accorded to Ladouceur and his

methods and philosophies. Written with full cooperation from the coach and including dozens of photographs, this book is perfect for anyone interested in the factors behind phenomenal team success. In an unorthodox approach, Georgetown University professor Cal Newport debunks the long-held belief that "follow your passion" is good advice, and sets out on a quest to discover the reality of how people end up loving their careers. Not only are pre-existing passions rare and have little to do with how most people end up loving their work, but a focus on

passion over skill can be dangerous, leading to anxiety and chronic job hopping. Spending time with organic farmers, venture capitalists, screenwriters, freelance computer programmers, and others who admitted to deriving great satisfaction from their work, Newport uncovers the strategies they used and the pitfalls they avoided in developing their compelling careers. Cal reveals that matching your job to a pre-existing passion does not matter. Passion comes after you put in the hard work to become excellent at something valuable, not before. In other words, what you do for a living is much

less important than how you do it. With a title taken from the comedian Steve Martin, who once said his advice for aspiring entertainers was to "be so good they can't ignore you," Cal Newport's clearly written manifesto is mandatory reading for anyone fretting about what to do with their life, or frustrated by their current job situation and eager to find a fresh new way to take control of their livelihood. He provides an evidence-based blueprint for creating work you love, and will change the way you think about careers, happiness, and the crafting of a remarkable life. Claudia Corvette.

From her tousled bedroom hair to her name—all the porn stars in this world take their names from supermodels and sports cars—she is adult entertainment's prototypical femme fatale. Her life is the collision of countless troubled-childhood cliches and grown-up wet dreams, projected onto her as surely as her videos project their blue light onto lonely men around the world. From its first panel, *How to Make Money Like a Porn Star* draws the reader into the dark world of girls like Claudia, the men who fantasize about them, and the monsters who control them. In the hands of Rolling

Stone writer Neil Strauss and illustrator Bernard Chang, this adult graphic novel weaves together black humor and blacker reality. Like all great American stories, it features humble beginnings, life-changing tragedy, stripping, abuse, implants, fame, addiction, bigger implants, abduction, gunplay, downfall, and even bigger implants. Not to mention a thousand shades of latex and L'Oreal. Part parody, part morality tale, here is the truth about the porn life, its outsized visual splendor captured in a comic parade of doe-eyed centerfolds, its essence distilled in a story that will haunt every reader

who has ever wondered where his next fantasy is coming from. Please note: This is a companion version & not the original book. *Sample Book Insights: #1* You're not weak if you're reading this book. You have options. If you're here to read, turn to *The Style Diaries*, which begin about two thirds of the way into the book, for stories compiled from my journals. If you're here to learn, start with the first part of the book, *The Stylelife Challenge*, for a workout program for your social and dating skills. When a young girl ventures through a hidden door, she finds another life with shocking

similarities to her own. Coraline has moved to a new house with her parents and she is fascinated by the fact that their 'house' is in fact only half a house! Divided into flats years before, there is a brick wall behind a door where once there was a corridor. One day it is a corridor again and the intrepid Coraline wanders down it. And so a nightmare-ish mystery begins that takes Coraline into the arms of counterfeit parents and a life that isn't quite right. Can Coraline get out? Can she find her real parents? Will life ever be the same again? Some people appear more gifted than others. NLP, a growing

development in applied psychology, describes what they do differently and explains these patterns of excellence. Neil Josten is the newest addition to the Palmetto State University Exy team. He's short, he's fast, he's got a ton of potential - and he's the runaway son of the murderous crime lord known as The Butcher. Signing a contract with the PSU Foxes is the last thing a guy like Neil should do. The team is high profile and he doesn't need sports crews broadcasting pictures of his face around the nation. His lies will hold up only so long under this kind of scrutiny and the truth will get him killed. But

Neil's not the only one with secrets on the team. One of Neil's new teammates is a friend from his old life, and Neil can't walk away from him a second time. Neil has survived the last eight years by running. Maybe he's finally found someone and something worth fighting for. Now in paperback comes Steinmeyer's astonishing chronicle of half a century of illusionary innovation, backstage chicanery, and keen competition within the world of magicians. "One of the most admired men in the world of seduction" (The New York Times) teaches average guys how to

approach, attract and begin intimate relationships with beautiful women. For every man who always wondered why some guys have all the luck, Mystery, considered by many to be the world's greatest pickup artist, finally reveals his secrets for finding and forming relationships with some of the world's most beautiful women. Mystery gained mainstream attention for his role in Neil Strauss's New York Times bestselling exposé, *The Game*. Now he has written the definitive handbook on the art of the pickup. He developed his unique method over years of observing social dynamics and

interacting with women in clubs to learn how to overcome the guard shield that many women use to deflect come-ons from "average frustrated chumps." *The Mystery Method: How to Get Beautiful Women Into Bed* shares tips such as: \*Give more attention to her less attractive friend at first, so your target will get jealous and try to win your attention. \*Always approach a target within 3 seconds of noticing her. If a woman senses your hesitation, her perception of your value will be lower. \*Don't be picky. Approach as many groups of people in a bar as you can and entertain them with fun

conversation. As you move about the room, positive perception of you will grow. Now it's easy to meet anyone you want. \*Smile. Guys who don't get laid, don't smile. Hidden somewhere, in nearly every major city in the world, is an underground seduction lair. And in these lairs, men trade the most devastatingly effective techniques ever invented to charm women. This is not fiction. These men really exist. They live together in houses known as Projects. And Neil Strauss, the bestselling author, spent two years living among them, using the pseudonym Style to protect his real-life identity. The result

is one of the most explosive and controversial books of the year -- guaranteed to change the lives of men and transform the way women understand the opposite sex forever. On his journey from AFC (average frustrated chump) to PUA (pick-up artist) to PUG (pick-up guru), Strauss not only shares scores of original seduction techniques but also has unforgettable encounters with the likes of Tom Cruise, Britney Spears, Paris Hilton, Heidi Fleiss, and Courtney Love. And then things really start to get strange -- and passions lead to betrayals lead to violence. The Game is the story of one man's

transformation from frog to prince -- to prisoner in the most unforgettable book of the year.
