Headway Australasia May 18 2021 This resource is written for teachers of adult and young adult students studying English in Australia and New Zealand. Presents 15 units designed to provide skills in reading, writing, speaking and listening. **Headway** Jul 08 2020 Headway is a multi-level course for adults and young adults who want to use English both accurately and fluently. Grammar and vocabulary are taught and explained thoroughly, and all four language skills are systematically developed. The Headway series combines traditional methods of language teaching and more recent communicative approaches. Together, Headway Intermediate and Headway Upper-Intermediate bring the student up to the level of Cambridge First Certificate. John and Liz Soars have many years of experience as teachers and teacher trainers. Both have worked at International House, London, and Liz was one of the chief examiners of the Cambridge/RSA Dip TEFL. Each level of Headway provides approximately 120 hours of teaching. Key features of Headway Intermediate include: Comprehensive coverage of the tense system and verb forms. Detailed treatment of grammar in two stages: first within the unit where it is introduced, and secondly, in a fuller version suitable for self-study and revision, in the Grammar section at the back of the book. Highly systematic skills development work. Authentic material and tasks to boost students' confidence in dealing with real English. This Workbook provides intensive extra practice and includes exercises to develop accuracy, systematic vocabulary work, and extra help with writing. It can also be used for self-study.
