Now celebrating more than 50 years in publication, Frank Wood's Business Accounting Volume 2 continues to provide an essential guide for accounting students around the world. With the 14th edition now repositioned to take a deeper focus on financial accounting, analysis and reporting, this book builds upon the fundamentals of financial accounting to provide you with all the necessary tools you need to help pass your accounting exams. New to this edition: · Focus on financial accounting, analysis and reporting to provide further depth · 'Maths for Accounting' Chapter · 'Earnings Management' Chapter For lecturers, visit www.pearsoned.co.uk/wood for our suite of resources to

accompany this textbook, including: · a complete solutions guide · PowerPoint slides for each chapter Alan Sangster is Professor of Accounting at the University of Sussex and formerly at other universities in the UK, Brazil, and Australia. Frank Wood formerly authored this text and he remains one of the best-selling authors of accounting textbooks. This is the Rockford Practice Set to accompany Intermediate Accounting, 14th Edition. No other text is used in more accounting programs, and by more professionals in the field, than Intermediate Accounting by Kieso, Weygandt, and Warfield. The Fourteenth edition redefines the Intermediate Accounting course in light of Convergence and new best practices with the most comprehensive coverage of IFRS on the market! It maintains the qualities for which the text is globally recognized, including its reputation for accuracy, comprehensiveness, accessibility, and quality problem material that best prepares students for success on the CPA exam. This edition sets a new standard to which all others need to be measured when producing well-prepared graduates for the global economy. This well-established and widely adopted textbook, now in its 14th edition, continues to provide an in-depth and insightful analysis of the modern theories and practices of Cost Accounting. That the book has gone into its 14th edition and several reprints is a testimony of its wide acceptance by the students, academics and professionals. Primarily intended for postgraduate and undergraduate students of Commerce and Management, the book will be of immense benefit to the students pursuing professional courses offered by the Institute of Chartered Accountants of India (ICAI), Institute of Cost Accountants of India (ICAI), Institute of Company Secretaries of India (ICSI),

and those pursuing the Chartered Financial Analyst (CFA) course. Now, in its 14th edition, the book has been suitably revised meeting the latest syllabi requirement of various courses. The chapter on “Strategic Cost Management” has been updated to make it indispensable to modern management to enhance the competitive advantage of the firm. Besides, many chapters have been overhauled and updated, especially the chapters covering basic concepts and terms, classification of costs and cost sheet, activity based costing, marginal costing, relevant cost analysis and management decisions, capital budgeting decisions, and cost audit. The book also includes some of the cost standards set by ICAI, a wide array of illustrations, worked-out examples, and practice exercises. Besides, a large number of MCQs are given online for the students to practice and self evaluation. MCQs are critical in proper understanding and practice of theories and concepts. Also, CIMA Official Terminology is provided online to keep students and professionals abreast of relevant terms used in today's business environment. For online material, visit https://www.phindia.com/banerjee_cost_accounting_theory.

TARGET AUDIENCE • B.Com (Hons.)/BBA • MBA/M.Com • Students pursuing professional courses to become CA, CMA, CFA, CS. Our top selling introductory accounting product Accounting Principles helps students succeed with its proven pedagogical framework, technical currency and an unparalleled robust suite of study and practice resources. It has been praised for its outstanding visual design, excellent writing style and clarity of presentation. The new eighth edition provides more opportunities to use technology and new features that empower students to apply what they have learned in the classroom to the

world outside the classroom. This book is entirely up to date to reflect recent changes in technology and AIS practice. Covers such subjects as EDI, reengineering, neural networks, client/server, computer security, and events accounting. Gain a solid foundation in the core accounting concepts as you develop a true appreciation for why accounting is important to business and a prosperous society with Warren/Reeve/Duchac's **CORPORATE FINANCIAL ACCOUNTING, 14E**. This latest edition clearly demonstrates how accounting is more than just data and black and white rules. Instead, you see how accounting provides key information used to make critical business decisions. A new chapter schema provides context that emphasizes how each chapter's content fits into the big picture. The book focuses on why accounting is important and consistently reinforces connections to the big picture throughout the text by connecting journal entries to the accounting equation. Readers also gain critical practice in making business decisions. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. Revised edition of the authors' Accounting information systems, [2015] Ideal for graduate, MBA, and rigorous undergraduate programs, **FINANCIAL ACCOUNTING: AN INTRODUCTION TO CONCEPTS, METHODS, AND USES 14e** presents both the basic concepts underlying financial statements and the terminology and methods that allows the reader to interpret, analyze, and evaluate corporate financial statements. Fully integrating the latest International Financial Reporting Standards, inclusive of the latest developments on Fair Value Accounting, and now more streamlined for busy students, this text provides

the highest return on your financial accounting course investment. With great clarity, this widely respected financial accounting text paces students appropriately as they learn both the skills and applications of basic accounting in earlier chapters as well as the impart the concepts and analysis skills they will use as future business leaders. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. The bestselling book on intermediate accounting, Kieso is an excellent reference for practicing accountants and an invaluable resource for anyone entering the field. They'll learn how to leverage everyday accounting programs like Excel, GLS, and other computerized accounting software giving them a strong background in the tools needed in the accounting profession. Intermediate Accounting 14th Edition is the market leader in providing the tools needed to understand what GAAP is and how it is applied in practice. Through many editions, this textbook has continued to reflect the constant changes taking place in the GAAP environment. This edition continues this tradition, which has become even more significant as the financial reporting environment is exploding with major change. There are three areas of major importance that are now incorporated extensively into the text: New way of looking at GAAP, Convergence of U.S. GAAP and IFRS, and Fair Value Movement. The core of Kieso's value statement continues to be authoritativeness and preparation for the profession (CPA exam). New to This Edition: Expanded and Updated Coverage of IFRS: Some of this new content has been adapted from the recently published Intermediate Accounting, IFRS Accounting. In addition, readers will benefit from new end-

of-chapter content and assignments specifically related to IFRS.

Critical Thinking and Conceptual Understanding: Building on traditional strengths from previous editions, the new edition includes new Accounting, Analysis, and Principles review exercises to help reinforce these three important elements from each chapter.

Updated Real-world Focus: Contains many new chapter-opening stories and "What Do the Numbers Mean?" boxes. Such applications join theory and practice, and demonstrate the use of accounting in today's business world.

Professional Simulations: This edition includes updated professional simulations that model the latest version of the computerized CPA exam.

"Thank you for considering the thirteenth edition of *Essentials of Accounting for Governmental and Not-for-Profit Organizations*. I have used the text with traditional three-semester-hour classes, with half-semester GNP courses, and as a module in advanced accounting classes. It is appropriate for accounting majors or as part of a public administration program. The Excel-based problems were developed to facilitate delivery through distance learning formats. The focus of the text is on the preparation of external financial statements. The coverage is effective in preparing candidates for the CPA examination"-- Thought-provoking and accessible in approach, this updated and expanded second edition of the *Managerial Accounting, 14th Edition* provides a user-friendly introduction to the subject. Taking a clear structural framework, it guides the reader through the subject's core elements. A flowing writing style combines with the use of illustrations and diagrams throughout the text to ensure the reader understands even the most complex of concepts. This succinct and enlightening overview is

a required reading for advanced graduate-level students. We hope you find this book useful in shaping your future career. Feel free to send us your enquiries related to our publications to info@risepress.pw Rise Press One of three versions of the 14th edition. Versions include: (1) The full book, containing chapters 1-17, with three additional chapters as a refresher on financial accounting; (2) A brief book, containing chapters 1-14, with a concise treatment of management accounting topics; (3) SafariX: an E-version of the book. Accounting Principles, 14th Edition provides students with a clear overview of fundamental financial and managerial accounting concepts with a focus on learning the accounting cycle from the sole proprietor perspective. Through a primary review of accounting transactions, integrated real-world examples, and a variety of practice opportunities, students develop a thorough understanding of how to apply accounting principles and techniques in practice. Students work through an entire program that builds their mastery of accounting concepts with an emphasis on decision making and key data analysis skills appropriate at the introductory level that keeps them engaged and better prepared to connect the classroom to the real world.

Warren/Reeve/Duchac's **MANAGERIAL ACCOUNTING 14E** provides a solid foundation in managerial accounting fundamentals, while motivating students to learn by showing how accounting is important to business. Business examples and a new chapter schema provide context for readers, demonstrating how each chapter's content fits into the big picture, connecting fundamental concepts with real businesses. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. Now in its

14th edition, Nobes and Parker's Comparative International Accounting is a comprehensive and coherent text on international financial reporting. It is primarily designed for undergraduate and postgraduate courses in comparative and international aspects of financial reporting. The book explores the conceptual and contextual found. Rev. ed. of: Cost accounting: a managerial emphasis / Charles T. Horngren ... [et al.]. 13th ed. Close the gap between homework and exam performance with Warren/Reeve/Duchac's FINANCIAL ACCOUNTING 14E! Market-leading FINANCIAL ACCOUNTING has been on the forefront of innovation and change based on the needs of today's teaching and learning environment. Warren/Reeve/Duchac's FINANCIAL ACCOUNTING 14e helps elevate student thinking with content that addresses each stage of the learning process from motivation to mastery. It motivates students to learn, provides practice opportunities to better prepare for exams, and helps students achieve mastery with tools to help them make connections and see the big picture. The Complete Learning System in FINANCIAL ACCOUNTING is built around the way students use textbooks to learn, study and complete homework, allowing them to achieve ultimate success in this course. The most significant changes for this edition involve the inclusion of the new revenue recognition standard. The end goal of Warren/Reeve/Duchac's FINANCIAL ACCOUNTING learning system is to elevate thinking and create more empowered and prepared students--ready to take on the rest of their educational and career goals. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. The Study Guide is designed to

assist students in comprehending the concepts and principles presented in the text. Problems and brief questions are included. Give your students a solid foundation in core accounting concepts while helping learners develop a true appreciation for why accounting is important to business and a prosperous society. Warren/Reeve/Duchac's FINANCIAL AND MANAGERIAL ACCOUNTING, 14E clearly demonstrates how accounting is much more than simply data and black and white rules.
