Fetish Bubblegirls Fandalismus

Fetish Bubblegirls presents the work of internationally recognized graffiti artist Tilt in an unabashedly new, colorful, and playful volume. Graffiti has always been an inherently dangerous, high-wire act - the execution of art in risky, often illegal situations. And one could argue for a strong parallel that exists between the classic graffiti writings extensive use of bubbly, curvaceous shapes and the female form. The French born graf writer obsessively explores these tensions and parallels in Fetish Bubblegirls as he explores the world in search of beautiful young canvases on which to execute his art. Although this mission straddles the globe, there is a common thread that emerges as the most striking detail of the project - the openness and balance between innocence and playfulness and sexuality and the highly charged environment that all of the models inhabit. Tilt is a member of the all-star French artists collective Le Club.
