An empowering memoir of courage and hope in the face of injustice—and the basis for the ABC television show, *For Life*—**Marked for Life** is the true story of Isaac Wright Jr.'s battle to win his freedom after being wrongfully imprisoned for crimes he didn't commit, and a critical indictment of America's judicial system. "If I waited around for someone to save me, I'd be waiting my whole life. Unless I took the reins of this thing myself, I was going to die in prison. If that was my destiny, then I was going to die fighting. The desperation of that equation kept me up most nights. I would never find a gladiator. So I had to become him." In the summer of 1989, Isaac Wright Jr. was a 28-year-old independent music producer, who'd struck out on his own and became one of hip hop's early success stories. With his dance crew Uptown Express, Wright won recognition on *Star Search*, toured with Run-DMC, and transitioned into management, co-founding his wife Sunshine's music group, The Cover Girls. They'd settled in the New Jersey suburbs to raise their six-year-old daughter, never imagining that Wright would fall victim to gross police misconduct and a corrupt district attorney. Accused of being a drug "kingpin" and incarcerated in Somerset County while the prosecutor and police built their case of lies against him, Wright realized he would get no help from any defense attorneys—white men uninterested in uncovering the truth or in proving the innocence of a black man. Pressured to take a plea deal offer of 20 years behind bars, Wright chose to take the law into his own hands by educating himself in the legal system so he could represent himself in court. Studying statutes and cases in the jail's law library, Wright became an adept legal mind. But despite acquiring knowledge that he put to use in defending his fellow inmates, he lost his trial and was sentenced to Trenton State Prison for life, plus 70 years in 1991. For the next five years, Wright would continue learning law, become a paralegal with the prison's Inmate Legal Association, and appeal his case. Threatened by corrupt correction officers and convicts, his family falling apart, Wright fought for his life with every legal means at his disposal, eventually uncovering the smoking gun that unraveled the conspiracy perpetrated by law enforcement officials against him.

Marked for Life is not just the story of how Isaac Wright Jr. won his freedom. It is the story of how he found his true calling as a gladiator fighting on behalf of the oppressed and marginalized communities victimized by an unjust system of law. When Colin accepts the job to clean up the graffiti in an upscale neighborhood he worries that he might be targeted by gangs. But he didn't expect to become a suspect in a series of robberies. Every time he is sent to clean up graffiti, the police are nearby investigating a crime. Colin knows he's done nothing wrong, but even he acknowledges his presence at the crime scenes looks suspicious. The only way he can clear his name is to figure out what is really going on. Also available in French. Ry Archer and Bowe Keller are as different as night and day. That doesn't mean they don't share similar struggles. At the moment, both are realizing the reality of getting closer and closer to reaching their dreams and aspirations is very much not living up to all the hype. The childhood cohorts always seem to connect when one of them needs help figuring out any of life's major puzzles, like figuring out why getting what you always thought you wanted isn't all it's cracked up to be. They might constantly rub each other the wrong way (except for when they rubbed each other really-really right), but there is no denying they've always made one hell of a great team. For Ry, he thought he had the perfect girl, the one who was going to run headfirst into a meticulously and methodically planned future. He was going to marry young and have the same kind of legendary, life-long romance his parents did... or so he believed. His girl was going to stand by his side as he chased his dream of being a professional football player all the way to the NFL. He was wrong. Now, Ry's gotta figure out the difference between a bruised heart and a broken one, and the only person who can teach him the difference is Bowe. Bowe always felt like she had to run before she learned to walk to keep up with her father's musical legacy. He's her hero, and she wants nothing more than to make him proud. Bowe's about to figure out that maybe she wasn't meant to be in a rock and roll band and that it is entirely possible she let her father's dream and road to success cloud her own idea of what making music should be. Bowe needs to find her own way to fame, and there's a good chance she wouldn't be brave enough or bold enough to start over if Ry Archer hadn't pushed his way back into her life when she least expected it. Some days they're enemies. Some days they're lovers. For a while, they were strangers. But now, it feels more like they might've always been soulmates. At the end of the day, both will realize that letting go of an old dream and creating a new one is much easier to do with the right person by your side. Worlds collide in Lindsey Klingele's debut young adult novel, *The Marked Girl*, an exciting fantasy tale turned upside down. Elissa Sussman, author of *Stray*, calls *The Marked Girl* "a magical debut with a big heart." When Cedric, crowned prince of Caelum, and his fellow royal friends (including his betrothed, Kat) find themselves stranded in modern-day LA via a magical portal and an evil traitor named Malquin, all they want to do is get home to Caelum—soon. Then they meet Liv, a filmmaker foster girl who just wants to get out of the system and on with her life. As she and Cedric bond, they'll discover that she's more connected to his world than they ever could've imagined...and that finding home is no easy task. *The Marked Girl* has humor, heart, and harrowing adventures, perfect for fantasy lovers and reluctant fantasy readers alike. As children, they meet. Bray and Yarrow have little in common. She's all fire. He's all heart. But the same ancient symbol brands their skin, marking them as members of the Chisanta—a superhuman society of scholars and warriors. Together, they travel far to undergo a brutal initiation trial, and form a bond that neither can forget. As young adults, they clash. Years later these friends-turned-rivals reunite, and fond memories won't stop them from crossing swords. She doesn't trust him. He doesn't understand her. But if they don't learn to work together, a troubling string of deaths will remain unsolved. And the fate of their kind could hang in the balance. "McCarron manages to successfully bridge modern ideals and an ancient world in this coming-of-age tale." -Publishers Weekly "Janie Kayrs has known Zane almost her whole life. He was her friend in the dream world. She trusted him. But that was before he kidnapped her, spiriting her away to an isolated cabin to learn what her dreams never told her. Like how dangerous he looks. How he got on the wrong side of the negotiating table. And how much sexier he is in real life... Zane is a battle-hardened warrior, used to command and solitude. But Janie has drawn him from the minute they met. His need for her could destroy everything he's worked for, but the risk is too sweet not to take it. They call her the Chosen One. But when it comes down to the questions of peace or war, life or death, safety or passion, it will be Janie who makes the choice..."--Page 4 of cover. All Aaliyah had ever wanted was to be invisible... To not be stared at. To not have to display her lifelong pain everywhere she goes. But society is too blind to see that beauty lies beneath the skin. Aaliyah only reveals her special mark—a facial birthmark—to the closest people in her life. But when Aaliyah's friend paints her in a portrait titled *The Marked One*, her birthmark is exposed to the world. Now no amount of makeup can keep Aaliyah's secret. Tristan Gerardo appears to be a successful CEO, but he is hiding many secrets... What many don't realize is that his successful public persona is a mask for his own pain—both of losing a sibling, and his failed marriage. Tristan buys a portrait called *The Marked One*, and is shocked when the subject of the portrait arrives for an interview at his company. He pursues Aaliyah, and while she is cautious at first, she feels an ease around Tristan that she's never experienced before. Little by little, Tristan's secrets are exposed... While Tristan struggles to keep Aaliyah from finding out how his sister died, she discovers he is still married. He assures her she has his full loyalty and the divorce is just a matter of time, and she desperately wants to believe him. But his estranged wife re-enters his life, and Tristan must figure out how to convince Aaliyah that she means the world to him. How can Tristan make Aaliyah realize that he loves her for herself, and not because of her notoriety as *The Marked One*? WELCOME TO JOHNSTONE COUNTRY. WATCH YOUR BACK. From the bestselling chroniclers of the American West comes a brand new series of gun-blazing adventures that could only happen in Texas. Meet Cullen McCabe, a Lone Star sheriff who learned—the hard way—that there are two sure things in life . . . DEATH & TEXAS The great state of Texas is a land of opportunity. For outlaws. And horse thieves. And cattle rustlers. Not to mention bank robbers, train robbers, and anything-that-ain't-nailed-down robbers. The state's governor, Richard B. Hubbard, is at the end of his rope. He wants to clean up Texas once and for all—and he's desperate enough to try something crazy: hire a man who can do what the Texas Rangers can't. A man not tied down by a wife or children. Or rules. Who's not afraid to go outside the law. Who will protect the good people of Texas at any cost—and put the blast on anyone who gets in his way. . . . He needs a man like Cullen McCabe, a small town sheriff. First in the explosive *Death & Texas* series! Live Free. Read Hard. Sixteen-year-old Zoey Redbird is Marked as a fledging vampyre and joins the House of Night, where she will train to become an adult vampyre and where she faces many challenges throughout her training. For there to be light, you must first suffer the darkness. The end came at me jagged and skewed like puzzle pieces to a game I didn't know I was playing. There was a distinct method to the madness, every move propagated to force my hand, to lure me out of hiding with the sweet promise of finality. I took solace in knowing that something better waited for me on the other side, something as pure and deep as the ocean itself. But there was no end in sight. No peace to be found. The end was only the beginning. INIQUITOUS is the heart-pounding third installment in *The Marked* saga, a fast-paced YA paranormal romance that grapples with love, loss, and self-discovery in a unique supernatural world filled with vampires, witches, shifters, and angels. This book is part of a series and ends in a cliff-hanger. INFERNAL (*The Marked* Book 4) will be available this summer 2017. From #1 New York Times bestselling author P. C. Cast comes INTO THE MIST, the first book in a pulse-pounding dystopian duology for our times. Practical

Magic meets Station Eleven in this gripping take on female power and the inevitable, destructive path of violent patriarchies. As men fall to the mist, the age of womankind begins to rise. The world as we know it ends when an attack on the U.S. unleashes bombs that deliver fire and biological destruction. Along with sonic detonations and devastating earthquakes, the bombs have also brought the green mist. If breathed in, it is deadly to all men—but alters the body chemistry of many women, imbuing them with superhuman abilities. A group of high school teachers heading home from a conference experiences firsthand the strength of these new powers. Mercury Rhodes is the Warrior, possessing heightened physical powers. Stella Carver is the Seer, with a sixth sense about the future. Imani Andrews is the Watcher, with a rare connection to the earth. Karen Gay is the Priestess, demonstrating a special connection with Spirits. And Gemma Jenkins is the Healer, a sixteen-year-old student who joins the group after losing her parents. As they cross the Pacific Northwest, trying to find a safe place to ride out the apocalypse, the women soon learn they can't trust anyone, and with fresh danger around every corner, it will take all their powers to save themselves—and possibly the world. With timely commentary on power and community, *Into the Mist* delivers a thrilling and fantastical future that is equal parts a feminist commentary and an amazing, witty adventure filled with wine and women— as only P.C. Cast's brilliant storytelling can bring to life. Twelve marks, twelve powers, and the deadly risk that the twelfth mark brings... is having all that power worth it? What if the price is destroying the world? Kenzie's twelve marks have caused her nothing but trouble since she was blessed with them. From getting her treated differently at school, to getting her kidnapped by rebels, her marks have caused chaos in her life. When a familiar face shows up in the warehouse she is being kept in, Kenzie doesn't know who to trust, or what to believe anymore. With time running out to escape, and the threat of the rebel's plans looming over her, can Kenzie overcome these challenges? Love and destruction comes at great price. A price that is marked by pain. Cursed by God, hunted by demons, desired by Cain and Abel... All in a day's work. For Evangeline Hollis, a long ago fling with a bad boy from the wrong side of the tracks just became a disaster of biblical proportions. One night with a leather-clad man of mystery has led to a divine punishment: the Mark of Cain. Thrust into a world where sinners are drafted into service to kill demons, Eve's learning curve is short. A longtime agnostic, she begrudgingly maneuvers through a celestial bureaucracy where she is a valuable but ill-treated pawn. She's also become the latest point of contention in the oldest case of sibling rivalry in history... But she'll worry about all that later. Right now she's more concerned with learning to kill while staying alive. And saving the soul she'd never believed she had ... in S.J. Day's *Eve of Darkness*. READERS FAVORITE AWARDS WINNER 2011 Sixteen-year-old Kara Nightingale's ordinary life is suddenly turned upside down when she dies and wakes up in a strange new world with a new career—as a rookie for the Guardian Angel Legion. Kara is pulled into the supernatural, where monkeys drive the elevators, oracles scurry above giant crystal balls, and where demons feed on the souls of mortals. With the help of her Petty Officer David, Kara hurtles towards an adventure that will change her life... As the Chicagoland Vampires series continues, Merit and Ethan find themselves in a deadly game of cat-and-mouse, where winning may require the ultimate sacrifice... A vampire's grudges don't stay dead long... Merit is one of Chicago's most skilled vampire warriors; these days, she doesn't scare easily. But she and Master vampire Ethan have made a new and powerful enemy, and he won't give up until he owns the Windy City. With his last plan thwarted, he's more determined than ever to watch Cadogan burn. Ethan has put the House's vampires on high alert, but their enemy will stop at nothing, including pitting supernatural against supernatural... In this deadly game of cat-and-mouse, the stakes are life or death—and winning might mean sacrificing everything... DOUBLE-SIZED FOR SINGLE PRICE! THEIR MAGIC IS CHANNLED THROUGH THEIR TATTOOS! The Marked may look like cool young influencers, but beneath the designer clothes, their bodies are tattooed with the magical glyphs of an ancient order that secretly protects the world against evil forces. With no new occult threats, The Marked use their tattooed powers solely for the pursuit of pleasure until a young woman called Liza creates a dangerous new form of Hybrid Sorcery. The party is over for The Marked. You'll believe in magic terrifying, soul-destroying magic. "My name is Jemma Blackburn, and I have a secret. I know vampires are real. I watched one murder my father eight months ago, and even though they tried to convince me it didn't happen -- that I'd lost touch with reality due to the trauma, I know what I saw was real. Hollow Hills is now the place I call home. It was supposed to be my chance at a normal life. My chance to bury my secret and start over. But everyone around me is keeping their own secrets, whispering lies into my ears like promises, and one of them is about to turn my entire world upside down. I thought I had it all figured out. I thought I had the answers. I thought I knew who I was. The truth is, I didn't even know the half of it. There's a reason these vampires are still after me. There's a reason they will always hunt me. Because I'm not human. I'm the devil they fear and the angel they crave. Only problem is, I don't know it yet..." --Page [4] of cover. Cora Lewis is a whole lot of fun, and she knows how to keep her tattooed bad boy friends in line. But all that flash and sass hide the fact that she never got over the way her first love broke her heart. Now she has a plan to make sure that never happens again: she's only going to fall in love with someone perfect. Rome Archer is as far from perfect as a man can be. He's stubborn and rigid, he's bossy and has come back from his final tour of duty fundamentally broken. Rome's used to filling a role: big brother, doting son, super soldier; and now none of these fit anymore. Now he's just a man trying to figure out what to do with the rest of his life while keeping the demons of war and loss at bay. From the #1 New York Times bestselling author of *Bared to You* comes *Eve of Chaos* When Evangeline Hollis spent a night of passion with the darkly seductive Alec Cain, she had no idea that she'd be punished for it years later. Branded with the Mark of Cain, Eve was thrust into a life of hunting demons as penance. Living with the Mark-and the two sexy brothers who come with it-was trouble enough. But then Eve ran over Satan's hellhound during training. Now Satan, incensed at the loss of his pet, has put a bounty on Eve's head, and every demon in the country wants to be the one to deliver her. Meanwhile, Eve's formerly insatiable one-night stand is acting distant. Cain says he still wants Eve, and she believes him, but scorching hot sex isn't enough. Not after knowing what it was like to have more. As Cain's role in Eve's life becomes more and more uncertain, Abel doesn't hesitate to step in. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. Class is in, but Evangeline Hollis is struggling to get through the requisite training to be a full-fledged Mark. When her class goes on a field trip to an abandoned military base, passing the course isn't just a matter of pride...it's a matter of life and death. There's a demon hidden among them, killing off Eve's classmates one by one. In *Eve of Destruction*, as the body count mounts, a ragtag team of cable TV ghost hunters unwittingly stumbles into the carnage. Now keeping the Mark system secret competes with the need to keep the "paranormal researchers" alive. With Cain on assignment and Abel on an investigation, Eve must fly solo on her hunt to stop a killer before he strikes again. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. *EVE OF WARFARE* Lycans, vampires, and cherubs... oh my. All Evangeline Hollis wants is to stay out of trouble long enough to lose the Mark of Cain, which drafted her into hunting demons for God. A former agnostic, she's still recovering from being the latest point of contention between the two men in her life--Cain and Abel. Now she's working for a cherub who thinks putting her undercover as a housewife is the best way to ferret out a rogue vampire

hiding in an idyllic Orange County, California residential community. Eve knows when she's being used as a pawn in the celestial political game. Now, she just has to figure out who's the greater threat: the vampire she's hunting, the cherub yanking her chain, or the two brothers vying to play the role of her spouse--'til death do them part. Which in her line of work, could happen any minute...  
EVE OF SIN CITY Sin City--Las Vegas--is home to humans and Infernals of all sorts: the good, the bad, and the ugly. If you ask Evangeline Hollis, "good" is in short supply, "ugly" might be amusing, but "bad" is most definitely her business. Eve is a Mark, a heavenly bounty hunter, and Las Vegas is her territory. Hell is empty. The Devil is here. There is no road so long and winding as the one that leads you to the finish line. Every bend is meant to test you, every junction meant to bring you closer to that place where love and sacrifice meet. To that place in the valley where the sun doesn't In the fourth novel in Anne Bishop's New York Times bestselling series, the Others will need to decide how much humanity they're willing to tolerate—both within themselves and their community... Since the Others allied themselves with the Cassandra Sanguine, the fragile yet powerful human blood prophets who were being exploited by their own kind, the dynamic between humans and Others has changed. Some, such as Simon Wolfgard, wolf shifter and leader of the Lakeside Courtyard, and blood prophet Meg Corbyn see the closer companionship as beneficial. But not everyone is convinced. A group of radical humans is seeking to usurp land through a series of violent attacks on the Others. What they don't realize is that there are older and more dangerous forces than shifters and vampires protecting the land—and those forces are willing to do whatever is necessary to safeguard what is theirs... Life sucks when your friends are pissed at you. Just ask Zoey Redbird – she's become an expert on suckiness. In one week she has gone from having three boyfriends to having none, and from having a close group of friends who trusted and supported her, to being an outcast. Speaking of friends, the only two Zoey has left are undead and unMarked. And Neferet has declared war on humans, which Zoey knows in her heart is wrong. But will anyone listen to her? Zoey's adventures at vampyre finishing school take a wild and dangerous turn as loyalties are tested, shocking true intentions come to light, and an ancient evil is awakened in PC and Kristin Cast's spellbinding fourth House of Night novel.  
(Recommended for readers age 13 and older) With his tight leather pants and a sharp edge that makes him dangerous, Jet Keller is every girl's rock and roll fantasy. But Ayden Cross is done walking on the wild side with bad boys. She doesn't want to give in to the heat she sees in Jet's dark, haunted eyes. She's afraid of getting burned from the sparks of their spontaneous combustion, even as his touch sets her on fire. Jet can't resist the Southern Belle with mile-long legs in cowboy boots who defies his every expectation. Yet the closer he feels to Ayden, the less he seems to know her. While he's tempted to get under her skin and undo her in every way, he knows firsthand what happens to two people with very different ideas about relationships. Will the blaze burn into an enduring love. . . or will it consume their dreams and turn them to ashes? Don't miss the latest bad boy in Jay Crownover's unforgettable New Adult series. When an enemy can alter your thoughts, you can trust nothing—not even your own mind. Bray and Yarrow escaped with their lives, believing that Quade Asher and his Elevated planned to start a war. Soon they will learn the truth: Quade need not fight a single battle; he has already won. With his ability to charm and persuade, Quade holds the entire nation enthralled. Those who resist are labeled defectors and are widely hunted. For these outlaws, no place is safe; no one can be trusted. The Elevated have eyes everywhere. Desperate to counter Quade's control, the group who could barely coexist must now rely solely upon each other. Ko-Jin strives to protect those most in danger, Bray seeks weaknesses, and Yarrow discovers long-lost knowledge of the Chisanta; but when Quade threatens to commit his worst atrocity yet, they all must come out of hiding to defy their enemy face-to-face. The tale of friendship, sacrifice, and romance continues in this second installment of the Marked Series. Is being marked with just one of the powers enough? Is being marked with six? What about being marked with all twelve? When Mackenzie's seventeenth birthday comes around, she planned to spend a few years at the school for the marked learning about her new powers, and then leaving and living her life. But nothing goes as planned when she attends the marking ceremony and all twelve marks appear. Kenzie lives in a world where being marked with six powers is normal, being marked with seven or more is rare. But being marked with twelve? Well, that's unheard of. With learning about her new powers, the last thing Kenzie needs to worry about is falling for her hot teacher. Not to mention the unneeded distractions of the sexy twins, the jerk in all her classes, and her older brother's best friend who finally seems to notice her. Romance and marked powers are never a good mix, not when there are people who desire her for more than her heart. Kenzie may not know, understand or want her twelfth power, but someone does. This is a reverse-harem series. Enter the dark, magical world of the House of Night series by bestselling authors P.C. Cast and Kristin Cast, a world very much like our own, except here vampyres have always existed. One minute, sixteen-year-old Zoey Redbird is a normal teenager dealing with everyday high school stress: her cute boyfriend Heath, the school's star quarterback who suddenly seems more interested in partying than playing ball; her nosy frenemy Kayla, who's way too concerned with how things are going with Heath; her uber-tough geometry test tomorrow. The next, she's Marked as a fledgling vampyre, forcing her to leave her ordinary life behind and join the House of Night, a boarding school where she will train to become an adult vampyre. That is, if she makes it through the Change—and not all of those who are Marked do. It sucks to begin a new life, especially away from her friends, and on top of that, Zoey is no average fledgling. She has been chosen as special by the vampyre Goddess, Nyx. Zoey discovers she has amazing powers, but along with her powers come bloodlust and an unfortunate ability to Imprint with Heath, who just doesn't know how to take "no" for an answer. To add to her stress, she is not the only fledgling at the House of Night with special powers: when she discovers that the leader of the Dark Daughters, the school's most elite group, is misusing her Goddess-given gifts, Zoey must look deep within herself for the courage to embrace her destiny—with a little help from her new vampyre friends. The complete Marked Men Collection - six scorching reads: Rule, Jet, Rome, Nash, Rowdy and Asa! From #1 New York Times bestselling author Sylvia Day (writing as S.J. Day) comes Three Eves, starting with Eve of Darkness. This steamy urban fantasy series tells the story of Evangeline Hollis, a heavenly bounty hunter, who's cursed by God, hunted by demons, and desired by none other than Cain and Abel. Uncontrollable bloodlust, dark and sexy desires, disasters of biblical proportions... S.J. Day's epic series has it all and is not to be missed. Eve of Darkness — Years ago, Evangeline Hollis spent a blistering night with a darkly seductive man she can't forget. Now Eve is thrust into a world where sinners are marked and drafted to kill demons. Her former one-night stand, Cain, is now her mentor—and his equally sexy brother Abel is her new boss. Eve of Destruction — When Eve's training class takes a field trip to an abandoned military base, things take a dark turn. Meanwhile, her body is still adapting to her new abilities and the challenges that came with them—such as uncontrollable bloodlust...which seems to be inciting another kind of lust altogether. Eve of Chaos — Eve runs over Satan's hellhound during training, so he puts a bounty on her head, and every demon in the country wants to deliver. Meanwhile, as Cain's role in Eve's life becomes more and more uncertain, Abel doesn't hesitate to step in. The Midwest Pack used the Clostra to perform a powerful and dangerous spell to save Sky. Now the pack is dealing with the aftermath and doing damage control. But they can't hide how the magic has changed the dynamics of the other world--or that they are responsible. The steep descent into Hell is always paved with good intentions. My name is Jemma Blackburn and I'm a Slayer.

Finding out I wasn't human was only the beginning of my problems. My best-friend, Taylor, is still missing, and so is the Immortal Amulet, and it's my job alone to get them both back. I don't know who I can trust, and I'm still not sure I'm cut out for any of this, but I'm determined to figure it all out, or die trying. As if that wasn't bad enough, there's a new enemy in town and they've come bearing gifts-an ancient prophecy that is going to blur the very lines between good and evil. And, apparently, my blood is tied to the center of it. I don't have all the answers yet, but I'm getting closer and closer to discovering the truth. The truth about my bloodlines, and about who I really am. And, believe me when I say, it's going to change everything. Invidious is the highly anticipated second installment in The Marked series, a fast-paced paranormal romance filled with self-discovery, mystery, love, and a unique supernatural world that will leave you captivated and hungry for more. "Joe Gunther, a policeman for most of his adult life, gets the call that every cop hates and every law enforcement friend and family member fears - a fellow officer has been killed in the line of duty. During what appears to have been a routine traffic stop on a dark country Vermont road, a deputy sheriff was shot to death. From what can be seen on the cruiser's video recorder, it is believed that the killers were a couple of Boston-based drug runners pulled over by the deputy on their way from Canada to Boston." "Gunther and his Vermont Bureau of Investigation team are brought in not only to identify the killers, but to track them down, regardless of where they've run - all the way from Boston to Portsmouth, New Hampshire, to the coast of Maine." "Meanwhile, along that very same shoreline, Alan Budney, the disaffected son of a Maine lobsterman, is a man with big ambitions - to usurp and replace the state's primary drug kingpin, a plan that will inevitably place him on a collision course with Gunther's investigation. In a case that leads him into unfamiliar territory, Gunther finds himself facing some utterly ruthless players in a lethally dangerous game."--BOOK JACKET. Fighting fate isn't for the weak. Cait I am many things, but a supernatural being is not one of them. At least until a crescent mark appears on my wrist and everything changes. I've been marked by a wolf goddess, yet no one knows what that means, myself included. On top of that, I find out my best friend is a werewolf and her pack alpha is my supposed mate. Just like that my future is decided-unless I find a way out. Roman When fate sends a human mate my way, I'm certain it has to be a mistake. An alpha is supposed to have an equal at his side. Cait might be strong in her own ways, but what she is makes her an easy target in my world. Regardless, Cait is mine to protect and I have every intention of showing her this is where she belongs-in my pack, by my side. This is a dual POV wolf shifter series. It features a strong willed, not-so-human leading lady and a fierce yet loyal alpha who is determined to win her heart-no matter how many times she might reject him. If you love books by Leia Stone, Heather Hildenbrand, and Patricia Briggs, then be ready to devour this new series! Nicholas St. Croix knows the evil of demons intimately-he was raised by one. Now the woman he loves has disappeared, and he knows his "mother" is responsible. But Nicholas swears he'll find her, even if he has to go to Hell and back. You can't outrun a curse ... trust me. I've tried. My heart was left shattered into a million jagged pieces. And to survive, I did the only thing I could and forced myself to play the part of the perfect girlfriend. The perfect daughter. Because no one wants someone broken. But now, the boy who owned my heart is a grown man - hardened and cold. Seeing Aidan four years later forces me to face my greatest fear, and realizing he is my fated mate only makes things worse. Secrets aren't meant to stay buried, and fate always has a plan. That's the funny thing about destiny. Right when you think everything is figured out, you get dealt a new hand. If you can't get enough of books by K.F. Breene, Kelly St. Claire, Annette Marie, Shannon Mayer, Leia Stone, Jaymin Eve, and Laura Thalassa, then you'll love this paranormal romance. Scroll up and one click MOON KISSED today. Opposites in every way . . . except the one that matters Shaw Landon loved Rule Archer from the moment she laid eyes on him. Rule is everything a straight--A pre-med student like Shaw shouldn't want--and the only person she's never tried to please. She isn't afraid of his scary piercings and tattoos or his wild attitude. Though she knows that Rule is wrong for her, her heart just won't listen. To a rebel like Rule Archer, Shaw Landon is a stuck-up, perfect princess-and his dead twin brother's girl. She lives by other people's rules; he makes his own. He doesn't have time for a good girl like Shaw-even if she's the only one who can see the person he truly is. But a short skirt, too many birthday cocktails, and spilled secrets lead to a night neither can forget. Now, Shaw and Rule have to figure out how a girl like her and a guy like him are supposed to be together without destroying their love . . . or each other. The first Marked Men novel in Jay Crownover's combustible New Adult series. Even the smallest of mistakes can bring destruction. Mackenzie Crowe is lost. Not lost emotionally, or even lost somewhere she can find a map. She's lost in a whole different world, one she never even believed in. Luckily she has Enzo at her side, but will she be able to find the others when they're all lost? Is getting back to earth and stopping her father even possible anymore? With no marks, no magic, and in a world she doesn't understand, how can Kenzie possibly survive in a world marked by destruction? When a fling with a bad boy earns her the mark of Cain, Evangeline Hollis is thrust into a world where sinners are drafted to kill demons and she becomes an ill-treated, yet valuable pawn in a game that puts her soul on the line. The old gods are growing restless... Mercenary Casia Greythorne cares about two things: completing her latest job and earning enough coin for the expensive medicine that's keeping her mentor alive. So when the king commands her to investigate a strange plague devastating the empire, she can't resist the massive reward he offers - even if it does mean working with the arrogant and infuriating Captain Elander. But as the death toll rises and strange monsters wreak havoc across the realms, Cas and Elander find themselves up against meddling gods and very old magic. Because an ancient evil is stirring in the shadows. And their empire will not survive its full unleashing.
