Koichi Shinohara traces the evolution of Esoteric Buddhist rituals from the simple recitation of spells in the fifth century to complex systems involving image worship, mandala initiation, and visualization practices in the ninth century. He presents an important new reading of a seventh-century Chinese text called the Collected Dharani Sutras, which shows how earlier rituals for specific deities were synthesized into a general Esoteric initiation ceremony and how, for the first time, the notion of an Esoteric Buddhist pantheon emerged. In the Collected Dharani Sutras, rituals for specific deities were typically performed around images of the deities, yet Esoteric Buddhist rituals in earlier sources involved the recitation of spells rather than the use of images. The first part of this study explores how such simpler rituals came to be associated with the images of specific deities and ultimately gave rise to the general Esoteric initiation ceremony described in the crucial example of the All-Gathering mandala ritual in the Collected Dharani Sutras. The visualization practices so important to later Esoteric Buddhist rituals were absent from this ceremony, and their introduction would fundamentally change Esoteric Buddhist practice. This study examines the translations of dharani sutras made by Bodhiruci in the early eighth century and later Esoteric texts, such as Yixing's commentary on the Mahavairocana sutra and Amoghavajra's ritual manuals, to show how incorporation of visualization greatly enriched Esoteric rituals and helped develop elaborate iconographies for the deities. Over time, the ritual function of images became less certain, and the emphasis shifted toward visualization. This study clarifies the complex relationship between images and ritual, changing how we perceive Esoteric Buddhist art as well as ritual. Now a new generation can fall under her spell and fall in love with reading. This e-collection turns tiny magic into big surprises! In Do-It-Yourself Magic, a special "Build Anything" kit makes imagined settings come to life. In Earthstar Magic, a slow summer turns upside down when a clumsy witch's spells go awry. And in Mostly Magic, enchanted objects lead two siblings and a mysterious cat into a series of miniature adventures. "Ruth Chew's classic books capture the joy of everyday magic." — Mary Pope Osborne, author of the Magic Tree House series The Complete Spellbound Trilogy Books 1-3 and Holiday Magic The only thing the teen witches Graylee and Charlene Perez have in common are their identical looks and refusal to date warlocks. When a suicide threat turns to murder, two tragic events unfold and it will take more than a resurrection spell to set things right. Three beguiling wizards offer assistance, but Gray doesn't know who to trust. INCLUDES: Entangled (Spellbound #1) Duplicity (Spellbound #2) Enchantment (Spellbound #3) BONUS: Holiday Magic: A Spellbound Christmas Story included "Entangled mixes Sabrina, the Teenage Witch with Freaky Friday in an intriguing, entertaining story with characters the reader will both love, and love to hate. Fast-paced and filled with page-turning action, [Spellbound] is a must-read for lovers of young adult paranormal." - Examiner.com Book 1 (Entangled): Hiding her powers was never a problem for seventeen-year-old Graylee Perez. Not until her diabolical twin sister decided to go on a rampage that could expose them. To add to the aggravation, coven reject Raj McKenna catches Gray performing a complex spell and is convinced they would make a powerful couple. He can delude himself all he wants. Gray has sworn off dating warlocks, especially delinquents who play with fire. But even Gray's mysterious death won't deter Raj, not after Gray is brought back from the great beyond. Only she's not truly back. Her body's still six feet under and she's on borrowed time. There are forces threatening Gray's existence and a powerful wizard willing to help . . . for a price. Gray doesn't know who to trust or how long she has left before she vanishes for good, but she's determined to stick around no matter what the cost. Book 2 (Duplicity): If Graylee Perez thought sharing a body with her twin sister was bad, dealing with a duplicate of herself is two times worse. Gray the second doesn't seem to get that Lee's boyfriend is off-limits. Then there's the problem of Adrian Montez. He expects one of the Grays to be his. Nearly a year later, the council is on to them for past misdeeds; Lee, along with the rest of the coven, has lost control of her powers; and, Gray is being stalked by what looks like the Grim Reaper. If the two Grays work together, they may stand a chance of setting things right and making it out alive. Book 3

(Enchantment): Barcelona. Summer escape. Or so Graylee Perez thought until her old adversary, Adrian Montez, brings his magic show to Spain. Gray seeks out a Spanish wizard to help banish Adrian from her life once and for all. Instead, she tumbles headfirst into a love spell with the arrogant warlock. After Gray follows Adrian to Paris, she must face her true feelings and decide if Adrian's worth fighting for. **Holiday Magic: Every day is a gift worth celebrating—especially when you've died not once, but twice. Ever since giving up her powers, Lee has had to adjust to life without magic. It's never been harder than when she and boyfriend Raj McKenna travel to Paris to spend winter break with Lee's duplicate, Gray, and her boyfriend, Adrian Montez. Celebrating the holidays with the shifty warlock isn't Lee's idea of a holly jolly good time, but she fears poor Gray is still under the influence of a love spell. Why else would she settle down with the brute? It's up to Lee to make sure her duplicate isn't being duped.** From #1 New York Times bestselling author Nora Roberts comes a trilogy about the land we're drawn to, the family we learn to cherish, and the people we long to love... **Book One of The Cousins O'Dwyer Trilogy Dark Witch** With indifferent parents, Iona Sheehan grew up craving devotion and acceptance. Not far from the luxurious castle where she is spending a week, she finds her cousins, Branna and Connor O'Dwyer. And since family is family, they invite her into their home and their lives. When Iona lands a job at the local stables, she meets the owner, Boyle McGrath. Cowboy, pirate, wild tribal horseman, he's three of her biggest fantasy weaknesses all in one big, bold package. Iona realizes that here she can make a home for herself—and live her life as she wants, even if that means falling head over heels for Boyle. But nothing is as it seems. An ancient evil has wound its way around Iona's family tree and must be defeated. Family and friends will fight with each other and for each other to keep the promise of hope—and love—alive... Everything You Need to Know to Start Working Magic with Candles, Crystals and Herbs Are you looking for some inspiration to take your magical practice to the next level? The Wicca Spellbook Starter Kit from best-selling author Lisa Chamberlain offers three collections of spellwork focused on the powerful energies of candles, colors, crystals, mineral stones, and magical herbs. Together, these books form a comprehensive grimoire of accessible, practical magic to help you further your own unique practice. Each Book of Shadows in this set expands on a form of magic covered in Lisa's three beginner guides, Candle Magic, Crystal Magic, and Herbal Magic. They can be used as companions to these guides, but they also stand on their own. The 160 magical workings within are designed for beginners and more advanced practitioners alike. Book of Candle Spells Book of Candle Spells focuses on working with the Element of Fire, and the potent vibrational frequencies of the visible light spectrum. Candles take center stage to varying degrees across this collection. Some spells are focused exclusively on the combined magic of candle and color, while others incorporate additional tools such as crystals and other color-appropriate ingredients. The spells are also organized by color, with chapter introductions detailing the magical properties and uses for the 14 colors most widely used in Wiccan and other contemporary magic. Book of Crystal Spells Book of Crystal Spells is devoted to the magical uses of the 13 crystals and other mineral stones introduced in Crystal Magic. Many of these spells are focused on aspects of emotional healing and energetic balancing, two purposes that crystals are uniquely suited for, but you'll also find more traditional goals represented, like prosperity, protection, and relationships. The spells are organized by stone, rather than by purpose, so you can develop a magical connection with different types of crystals, one at a time. You'll find an overview of the properties of each stone in the chapter introductions. Book of Herbal Spells Book of Herbal Spells builds on the information from Herbal Magic, with a chapter for each of the 13 herbs featured in the original book. Single herbs are often the main focus of these spells, with minimal additional ingredients, to help you focus your attention on the subtle energies of the herbs themselves. As you work more and more with herbal magic, you will develop a natural affinity with these marvelous plant beings that have been co-creating with magical people since the beginning of time. Magical Workings for Any Experience Level The practice of magic is a lifelong path, with delightful and rewarding results that can transform our lives.

A new collection of provocative work from the author of Or To Begin Again, a finalist for the 2009 National Book Award in Poetry Ann Lauterbach is one of America's most inventive poets, acclaimed for her fierce, sensuous, and intellectually charged work.

In her tenth collection, *Spell*, Lauterbach activates the many meanings of "spell": her sense that the world is under a spell from which it must awaken, to spells of passing weather, to her desire to spell out life's difficulties and wonders, and how sin-gle words (and their etymologies) might inform and enlighten our contemporary condition. In short poems, poem sequences, and a series of "Conversations with Evening," Lauterbach calls upon all her imaginative resources to locate a new hybrid poetics of reality, with wit, urgency, and candor. Describes how to get started using spells, and includes the directions for spells for attracting and keeping a lover, improving family harmony and fertility, and bringing good luck. From #1 New York Times bestselling author Nora Roberts comes the final novel in a trilogy about the land we're drawn to, the family we learn to cherish, and the people we long to love... Book Three of *The Cousins O'Dwyer Trilogy* *Blood Magick County Mayo* is rich in the traditions of Ireland, legends that Branna O'Dwyer fully embraces in her life and in her work as the proprietor of *The Dark Witch shop*, which carries soaps, lotions, and candles for tourists, made with Branna's special touch. Branna's strength and selflessness hold together a close circle of friends and family—along with their horses and hawks and her beloved hound. But there's a single missing link in the chain of her life: love... She had it once—for a moment—with Finbar Burke, but a shared future is forbidden by history and blood. Which is why Fin has spent his life traveling the world to fill the abyss left in him by Branna, focusing on work rather than passion. Branna and Fin's relationship offers them both comfort and torment. And though they succumb to the heat between them, there can be no promises for tomorrow. A storm of shadows threatens everything that their circle holds dear. It will be Fin's power, loyalty, and heart that will make all the difference in an age-old battle between the bonds that hold their friends together and the evil that has haunted their families for centuries.
