***Education Make America Great Again AGAIN!  
Summary of Trump's America by Newt Gingrich:  
Conversation Starters Make America Good Again  
The Making of Tocqueville's America***

***The Upswing Sep 19 2021 From the author of  
Bowling Alone and Our Kids, a “sweeping yet  
remarkably accessible” (The Wall Street Journal)  
analysis that “offers superb, often counterintuitive  
insights” (The New York Times) to demonstrate how  
we have gone from an individualistic “I” society to a  
more communitarian “We” society and then back  
again, and how we can learn from that experience to  
become a stronger, more unified nation. Deep and  
accelerating inequality; unprecedented political  
polarization; vitriolic public discourse; a fraying  
social fabric; public and private  
narcissism—Americans today seem to agree on only  
one thing: This is the worst of times. But we’ve been  
here before. During the Gilded Age of the late  
1800s, America was highly individualistic, starkly  
unequal, fiercely polarized, and deeply fragmented,  
just as it is today. However as the twentieth century  
opened, America became—slowly, unevenly, but  
steadily—more egalitarian, more cooperative, more  
generous; a society on the upswing, more focused  
on our responsibilities to one another and less  
focused on our narrower self-interest. Sometime  
during the 1960s, however, these trends reversed,***

***leaving us in today's disarray. In a sweeping overview of more than a century of history, drawing on his inimitable combination of statistical analysis and storytelling, Robert Putnam analyzes a remarkable confluence of trends that brought us from an "I" society to a "We" society and then back again. He draws inspiring lessons for our time from an earlier era, when a dedicated group of reformers righted the ship, putting us on a path to becoming a society once again based on community. Engaging, revelatory, and timely, this is Putnam's most ambitious work yet, a fitting capstone to a brilliant career.***

***Make America Stronger Together Again Feb 10 2021 Make America Stronger Together Again addresses the presidential campaign of the century, looking in-depth at what happened and what has occurred since.***

***Make America Central Again Nov 02 2022 Make America Central Again: A Common Sense, Third Party Approach To Taking Back Our Country By: Matthew Burdett For decades, the two party American political system has become outdated! With the Democratic and Republican parties deteriorating, Matthew Burdett shows us how a strong 3rd party can tackle today's issues. Using his knowledge of history and current events, Burdett uses examples to show what steps can be taken to achieve a strong alternative to today's failing***

**political landscape.**

***Make America Great Again AGAIN! Apr 02 2020***  
***This book is filled with some of the positive accomplishments of President Trump's first Administration. Most of this has never been covered by the echo-chamber megaphone pretending to be an objective media. Some of it has been covered as if through a carnival mirror, distorted and reshaped to fit the negative agenda of the Left. Though the media elites, the perpetually re-elected, and the bureaucrats of the deep state are united in their determination to defeat Donald Trump they've forgotten one thing ... most Americans still believe in America. And though they've used the Plandemic to shut down our economy and their shock troops are burning down our cities they'll not be able to terrorize us into staying home on election day. And when the dust settles, four more years may give us enough breathing space to: Make America Great Again - Again!***

***To Make America Apr 07 2023*** This title is part of UC Press's ***Voices Revived*** program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. **published in 1991.**

**Troublemaker Mar 26 2022 The controversial former Tea Party candidate lays out her personal political ideology.**

**Parable of the Talents Mar 14 2021 Parable of the Talents celebrates the classic Butlerian themes of alienation and transcendence, violence and spirituality, slavery and freedom, separation and community, to astonishing effect, in the shockingly familiar, broken world of 2032. Long awaited, Parable of the Talents is the continuation of the travails of Lauren Olamina, the heroine of 1994's Nebula-Prize finalist, bestselling Parable of the Sower. Parable of the Talents is told in the voice of Lauren Olamina's daughter&...from whom she has been separated for most of the girl's life&...with sections in the form of Lauren's journal. Against a background of a war-torn continent, and with a far-right religious crusader in the office of the U.S. presidency, this is a book about a society whose very fabric has been torn asunder, and where the basic physical and emotional needs of people seem almost impossible to meet.**

**Make America Healthy Again Feb 22 2022 NATIONAL BESTSELLER! If Americans want to know why their health care is so costly and getting costlier, they need only look in the mirror. Americans are notoriously unhealthy—we eat too much, drink too much, and sit too much. When**

***roughly 80 percent of cardiovascular disease and 40 percent of all cancer cases could be prevented by simple lifestyle changes, it is time to take a deeper look at the problem and ask who is truly responsible. Consider that: • After seventy years of innovation, heart disease and cancer remain the top two causes of death in the United States. • In 1960, health care spending was 5 percent of America's GDP; today, it is 17.5 percent. • The government spends over \$1 trillion annually on health care. • Nearly one in five American deaths is associated with poor diets. • Simply reducing sodium intake by 1,200 mg per day could save up to \$20 billion a year in medical costs. In Make America Healthy Again, Nicole Saphier, a Memorial Sloan Kettering physician, nationally recognized patient advocate, and media personality, reveals how individual negligence and big government incompetence have destroyed America's health care system. Combining historical events, economic trends, and essential lifestyle advice, with her unique perspective, she offers concrete solutions to address this epic problem. We don't need socialized medicine—we need to take better care of ourselves. By getting healthier and adopting preventative measures, Saphier believes, we can reduce the astronomical costs of treatment and improve overall care. The only way to lower medical costs for everyone is to stop incentivizing bad health decisions. Policies***

***such as the Affordable Care Act and single-payer plans ignore something crucial to lowering the overall financial burden: personal responsibility. We can no longer expect doctors and the government to fix illnesses we have the power to prevent.***

***Regardless of which health policy is adopted, our nation will flounder unless we take action. It is up to the American people to make America healthy again.***

***Make America First Again Jun 28 2022 This book examines US grand strategy between two moments, the 2016 presidential election and the 2018 midterm election. It is an early history and an assessment of the Trump administration's grand strategy, but it is also a study of much larger questions.***

***It Can't Happen Here Aug 07 2020 "The novel that foreshadowed Donald Trump's authoritarian appeal."—Salon It Can't Happen Here is the only one of Sinclair Lewis's later novels to match the power of Main Street, Babbitt, and Arrowsmith. A cautionary tale about the fragility of democracy, it is an alarming, eerily timeless look at how fascism could take hold in America. Written during the Great Depression, when the country was largely oblivious to Hitler's aggression, it juxtaposes sharp political satire with the chillingly realistic rise of a president who becomes a dictator to save the nation from welfare cheats, sex, crime, and a liberal press.***

***Called “a message to thinking Americans” by the Springfield Republican when it was published in 1935, It Can’t Happen Here is a shockingly prescient novel that remains as fresh and contemporary as today’s news. Includes an Introduction by Michael Meyer and an Afterword by Gary Scharnhorst***

***Take Hold of Our History Aug 19 2021 The eighteen essays and speeches in Take Hold of Our History render a manifesto - a call to remember, redeem, and embrace the American radical story and tradition in favor of cultivating American historical memory and imagination and making America radical once again. For too long we have***

***allowed the right to hijack the past and suppress, efface, lie about, and/or appropriate the essentially radical story of America from the struggles of the Revolution to those of the Age of Roosevelt and the 1960s. And no less tragically, we on the left, apparently haunted by the worst of our national experience, have turned our back on our own story and deferred to the tales of conservatives and reactionaries. Fleeing from the past, we merely compound the tragedies and ironies of American history, for we turn our backs on both the nation's democratic creed and radical imperative, but also the struggles from the bottom up, the struggles in which working people and others have laid hold of America's revolutionary promise and succeeded in making the United States freer, more equal and more democratic, at times, radically so. As Bill Moyers put it in 2008: "Here in the first decade of the twenty-first century the story that becomes America's dominant narrative will shape our collective imagination and our politics for a long time." The time has come for us to advance that narrative.***

***The Making of Tocqueville's America Dec 31 2019  
Alexis de Tocqueville famously said that Americans were "forever forming associations" and saw in this evidence of a new democratic sociability--though that seemed to be at odds with the distinctively American drive for individuality. Yet Kevin***

***Butterfield sees these phenomena as tightly related: in joining groups, early Americans recognized not only the rights and responsibilities of citizenship but the efficacy of the law. A group, Butterfield says, isn't merely the people who join it; it's the mechanisms and conventions that allow it to function and, where necessary, to regulate itself and its members. Tocqueville, then, was wrong to see associations as the training grounds of democracy, where people learned to honor one another's voices and perspectives--rather, they were the training grounds for increasingly formal and legalistic relations among people. They were where Americans learned to treat one another impersonally.***

***Make It In America, Updated Edition Mar 06 2023  
The case for revolutionizing the U.S. economy, from a leading CEO America used to define itself by the things we built. We designed and produced the world's most important innovations, and in doing so, created a vibrant manufacturing sector that established the middle class. We manufactured our way to the top and became the undisputed economic leader of the world. But over the last several decades, and especially in the last ten years, this sector that was America's great pride has eroded, costing us millions of jobs and putting our long-term prosperity at risk. Now, as we struggle to recover from the worst recession in generations, our***

***only chance to turn things around is to revive the American manufacturing sector—and to revolutionize it. In Make It in America: The Case for Reinventing the Economy, Andrew Liveris—Chairman and CEO of The Dow Chemical Company—offers a thoughtful and passionate argument that America's future economic growth and prosperity depends on the strength of its manufacturing sector. The book explains how a manufacturing sector creates economic value on a scale unmatched by any other, and how central the sector is to creating jobs both inside and outside the factory. Explores how other nations are building their manufacturing sectors to stay competitive in the global economy, and describes how America has failed to keep up. Provides an aggressive, practical, and comprehensive agenda that will put the U.S. back on track to lead the world. It's time to stop accepting as inevitable the shuttering of factories and staggering job losses that have come to define manufacturing. It's time to acknowledge the cost of inaction. There is no better company to make the case for reviving U.S. manufacturing than The Dow Chemical Company, one of the world's largest manufacturers and most global corporations. And there's no better book to show why it needs to be done and how to do it than Make It in America.***

***true history and Heritage of America's founding and our nation's origins in the Judeo-Christian faith. Mr. Chipps' book provides insight and historical perspective on American culture and the current political situation. It imparts information and opinion in a thought-provoking, engaging manner.***

***Wildland Jun 04 2020 INSTANT NEW YORK TIMES BESTSELLER*** After a decade abroad, the National Book Award- and Pulitzer Prize-winning writer Evan Osnos returns to three places he has lived in the United States—Greenwich, CT; Clarksburg, WV; and Chicago, IL—to illuminate the origins of America's political fury. Evan Osnos moved to Washington, D.C., in 2013 after a decade away from the United States, first reporting from the Middle East before becoming the Beijing bureau chief at the Chicago Tribune and then the China correspondent for The New Yorker. While abroad, he often found himself making a case for America, urging the citizens of Egypt, Iraq, or China to trust that even though America had made grave mistakes throughout its history, it aspired to some foundational moral commitments: the rule of law, the power of truth, the right of equal opportunity for all. But when he returned to the United States, he found each of these principles under assault. In search of an explanation for the crisis that reached an unsettling crescendo in 2020—a year of pandemic, civil unrest, and political turmoil—he focused on three places he

***knew firsthand: Greenwich, Connecticut; Clarksburg, West Virginia; and Chicago, Illinois. Reported over the course of six years, Wildland follows ordinary individuals as they navigate the varied landscapes of twenty-first-century America. Through their powerful, often poignant stories, Osnos traces the sources of America's political dissolution. He finds answers in the rightward shift of the financial elite in Greenwich, in the collapse of social infrastructure and possibility in Clarksburg, and in the compounded effects of segregation and violence in Chicago. The truth about the state of the nation may be found not in the slogans of political leaders but in the intricate details of individual lives, and in the hidden connections between them. As Wildland weaves in and out of these personal stories, events in Washington occasionally intrude, like flames licking up on the horizon. A dramatic, prescient examination of seismic changes in American politics and culture, Wildland is the story of a crucible, a period bounded by two shocks to America's psyche, two assaults on the country's sense of itself: the attacks of September 11 in 2001 and the storming of the U.S. Capitol on January 6, 2021. Following the lives of everyday Americans in three cities and across two decades, Osnos illuminates the country in a startling light, revealing how we lost the moral confidence to see ourselves as larger than the sum of our parts.***

**The Deplorables' Guide to Making America Great Again Jan 24 2022 "President Obama called us bitter. Hillary Clinton called us irredeemable. The mainstream media called us backwater bigots. We were mocked by Hollywood and dismissed by academics. We were marginalized by the media--bullied and belittled by sex and gender revolutionaries. But all the changed on Election Day, and now it's time for all of us Deplorables to get to work. Our long national nightmare may be over, but that doesn't mean we can take a vacation to Dollywood just yet. We've got some work to do, folks. After President Reagan brought morning to America, conservatives took a nap. We grew complacent. And faster than you could say 'Read my lips,' the nation elected a community organizer overlord. So how can we prevent that from happening again? In *The Deplorable's Guide to Making America Great Again* Todd Starnes offers practical advice on fighting and winning the war on traditional American values. Armed with the Bible in one hand and his signature wit in the other, Starnes shows you how to be a happy warrior"--Back cover.**

**Political Agendas for Education May 04 2020 Following the epic, contentious 2016 presidential**

***election, Joel Spring's ongoing documentation and analysis of political agendas for education reflect the major political issues since 2012. Here he examines the 2016 education planks of the Republican, Democratic, Libertarian, and Green Parties, using their official platforms and other statements, speeches given by each candidate, and media reports and publications. Each party's position is linked to previous political movements in education. Spring offers an alternative agenda for American schools, including a proposed education amendment to the U.S. Constitution and replacing human capital agendas with goals emphasizing education for a long life and happiness. Taking a fresh look at the social and political forces, educational research, and ideologies shaping their educational agendas and a comparative approach, the book stimulates reflection and discussion.***

***Updates and changes in the Sixth Edition: Betsy DeVos's education agenda supporting vouchers, free market competition and for-profit schools and its relationship to the education section of the 2016 Republican platform The important role religion and culture played in the evolution of Republican education policies after the school prayer and Bible decisions of the 1960s The influence of human capital economics on Democratic education proposals How No Child Left Behind and Democratic President Barack Obama opened doors***

***to the growth of the for-profit education industry and investment bankers The 2016 Democratic positions on the cost of higher education and student loan debts The Democratic left as represented by the 2016 campaign of Democrat Bernie Sanders and his influence on the presidential candidate Hillary Clinton and the Democratic Party platform The education proposals of the Green and Libertarian parties***

***Make America Meme Again Jul 06 2020 Using the tools of rhetorical criticism, the authors detail how memetic persuasion operates, with a particular focus on the 2016 election of Donald J. Trump. Make America Meme Again reveals the rhetorical principles used to design Alt-right memes, outlining the myriad ways memes lure mainstream audiences to a number of extremist claims.***

***The Forgotten Americans Aug 31 2022 A sobering account of a disenfranchised American working class and important policy solutions to the nation's economic inequalities One of the country's leading scholars on economics and social policy, Isabel Sawhill addresses the enormous divisions in American society--economic, cultural, and political--and what might be done to bridge them. Widening inequality and the loss of jobs to trade and technology has left a significant portion of the American workforce disenfranchised and skeptical of governments and corporations alike. And yet***

***both have a role to play in improving the country for all. Sawhill argues for a policy agenda based on mainstream values, such as family, education, and work. Although many have lost faith in government programs designed to help them, there are still trusted institutions on both the local and the federal level that can deliver better job opportunities and higher wages to those who have been left behind. At the same time, the private sector needs to reexamine how it trains and rewards employees. This book provides a clear-headed and middle-way path to a better-functioning society in which personal responsibility is honored and inclusive capitalism and more broadly shared growth are once more the norm.***

***Trump and the Protestant Reaction to Make America Great Again Jan 04 2023 This book explores how polarised interpretations of America's past influence the present and vice versa. A focus on competing Protestant reactions to President Trump's 'Make America Great Again' slogan evidences a fundamental divide over how America should remember historical racism, sexism and exploitation. Additionally, these Protestants disagree over how the past influences present injustice and equality. The 2020 killing of George Floyd forced these rival histories into the open. Rowley proposes that recovering a complex view of the past, confessing the bad and embracing the***

***good, might help Americans have a shared memory that can bridge polarisation and work to secure justice and equality. An accessible and timely book, this is essential reading for those concerned with the vexed relationship of religion and politics in the United States, including students and scholars in the fields of Protestantism, history, political science, religious studies and sociology.***

***Behold, America Dec 11 2020 A Smithsonian Magazine Best History Book of 2018 The unknown history of two ideas crucial to the struggle over what America stands for In Behold, America, Sarah Churchwell offers a surprising account of twentieth-century Americans' fierce battle for the nation's soul. It follows the stories of two phrases--the "American dream" and "America First"--that once embodied opposing visions for America. Starting as a Republican motto before becoming a hugely influential isolationist slogan during World War I, America First was always closely linked with authoritarianism and white supremacy. The American dream, meanwhile, initially represented a broad vision of democratic and economic equality. Churchwell traces these notions through the 1920s boom, the Depression, and the rise of fascism at home and abroad, laying bare the persistent appeal of demagoguery in America and showing us how it was resisted. At a time when many ask what America's future holds, Behold, America is a***

***revelatory, unvarnished portrait of where we have been.***

***Make America Good Again Jan 30 2020 America is great because she is good, and if America ever ceases to be good, she will cease to be great.***

***Everyone is upset about something—from fake news to political correctness and everything in between. In Make America Good Again, Joe Battaglia offers alternative perspectives on today's hot-button issues, such as gun legislation, immigration policy, and climate change initiatives, and frames them within biblical principles. Learn to cut through toxic political rhetoric, return to faith-based morality, and lead the charge in restoring our nation's true greatness.***

***America, We Need to Talk Jul 30 2022 The newest book by Joel Berg--an internationally recognized leader and media spokesman in the fields of hunger, poverty, food systems, and U.S. politics, and the director of Hunger Free America--America We Need to Talk: A Self-Help Book for the Nation is both a parody of relationship and self-help books and a serious analysis of the nation's political and economic dysfunction. Explaining that the most serious--and most broken--relationship is the one between us, as Americans, and our nation, the book explains how, no matter who becomes our next president, average Joes can channel their anger at our hobbled system into concrete actions that will***

***fix our democracy, rebuild our middle class, and restore our stature in the world as a beacon of freedom and hope. Starting with the belief that it's irresponsible for Americans to blame the nation's problems solely on "the politicians" or "the system," Joel makes a case for how it's the personal responsibility of every resident of this country to fix it. The American people are in a relationship with their government and their society, and, as in all relationships, it's the responsibility of both sides to recognize and repair their problems.***

***Make America Stronger Together Again May 28 2022 Make America Stronger Together Again discusses Hillary Clinton, Donald Trump, and a presidential campaign from hell, but it is so much more than that. It's a vision for a better country, a more engaged electorate, and a return to a level of civility worthy of the country our founding fathers dreamed we could be. The book begins by reflecting on the lives of two starkly different political candidates. From there it recaps the election of the century, putting a historical perspective on the political scandals of the Trump era. The second half of the book offers a clear blueprint for America in the future. A country where everyone has a place, where everyone's voice is heard, and where anyone can run for elected office and win.***

***power whose lack of the most basic information is terrifying. In addition to Reagan, Quayle, Bush, Palin, and Trump, Borowitz covers a host of congresspersons, senators, and governors who have helped lower the bar over the past five decades. Profiles in Ignorance aims to make us both laugh and cry: laugh at the idiotic antics of these public figures, and cry at the cataclysms these icons of ignorance have caused. But most importantly, the book delivers a call to action and a cause for optimism: History doesn't move in a straight line, and we can change course if we act now.***

***The New American Revolution Sep 07 2020 In this essential exploration of the American heartland, Kayleigh McEnany presents an eye-opening collection of interviews and stories about the powerful grassroots populist movement of frustrated Americans left behind by the government that changed the landscape of political campaigns forever Kayleigh McEnany spent months traveling throughout the United States, conducting interviews with citizens whose powerful and moving stories were forgotten or intentionally ignored by our leaders. Through candid, one-on-one conversations, they discussed their deeply personal stories and the issues that are most important to them, such as illegal immigration, safety from terrorist attacks, and religious freedom. The New American Revolution chronicles both the losses of***

***these grassroots voters, as well as their ultimate victory in November 2016. Kayleigh also includes interviews with key figures within President Trump's administration—including Ivanka Trump, Secretary Ben Carson, Jared Kushner, and many more—and their experiences on the road leading up to President Trump's historic win. Kayleigh's journey takes her from a family cabin in Ohio to the empty factories in Flint, Michigan, from sunny Florida to a Texas BBQ joint—and, of course, ends up at the White House. The collective grievance of the American electorate reveals a deep divide between leaders and citizens. During a time of stark political division, Kayleigh discovers a personal unity and common thread of humanity that binds us nevertheless. Through faith in God and unimaginable strength, these forgotten men and women have overcome, even when their leaders turned their heads. An insightful book about the triumph of this powerful movement, The New American Revolution is a potent testament to the importance of their message.***

***Confidence Man Nov 21 2021 From the Pulitzer Prize-winning New York Times reporter who has defined Donald J. ***When America Stopped Being Great Oct 21 2021 'Nick Bryant is brilliant. He has a way of showing you what you've been missing from the whole story whilst never leaving you feeling stupid.' - Emily Maitlis 'Bryant is a genuine rarity, a Brit who understands America' - Washington Post In When America Stopped Being Great, veteran reporter and BBC New York correspondent Nick Bryant reveals***

***how America's decline paved the way for Donald Trump's rise, sowing division and leaving the country vulnerable to its greatest challenge of the modern era. Deftly sifting through almost four decades of American history, from post-Cold War optimism, through the scandal-wracked nineties and into the new millennium, Bryant unpacks the mistakes of past administrations, from Ronald Reagan's 'celebrity presidency' to Barack Obama's failure to adequately address income and racial inequality. He explains how the historical clues, unseen by many (including the media) paved the way for an outsider to take power and a country to slide towards disaster. As Bryant writes, 'rather than being an aberration, Trump's presidency marked the culmination of so much of what had been going wrong in the United States for decades - economically, racially, politically, culturally, technologically and constitutionally.' A personal elegy for an America lost, unafraid to criticise actors on both sides of the political divide, When America Stopped Being Great takes the long view, combining engaging storytelling with recent history to show how the country moved from the optimism of Reagan's 'Morning in America' to the darkness of Trump's 'American Carnage'. It concludes with some of the most dramatic events in recent memory, in an America torn apart by a bitterly polarised election, racial division, the national***

***catastrophe of the coronavirus and the threat to US democracy evidenced by the storming of Capitol Hill.***

***Time to Get Tough Feb 05 2023 A New York Times bestseller! For the first time in his own words, President-elect Donald J. Trump explains his plan to make America great again! He wants to “put America’s interests first—and that means doing what’s right for our economy, our national security, and our public safety.” Throughout the 2016 campaign, Trump conjured images of American strength and culture when small towns boomed with industry, mom and pop shops bustled, and people said, “Merry Christmas!” The media scoffed at Trump’s vision and the people who supported him; they were blinded by the Clinton machine. But their eyes were opened after Trump won 62 million votes and the Oval Office. Even Republican House Speaker Paul Ryan said, “Donald Trump heard a voice in this country that no one else heard.” As Trump says in Time to Get Tough, “I’ve built businesses across the globe. I’ve dealt with foreign leaders. I’ve created tens of thousands of American jobs. My whole life has been about executing deals and making real money—massive money. That’s what I do for a living: make big things happen...” Trump is about to make the biggest deals of his life, and he’s going to make them for America! From reversing lax immigration policies to eliminating***

**regulations that restrict small businesses, Donald Trump understands that America “doesn’t need cowardice, it needs courage.” President Elect Trump is about to “Make America Great Again” and Time to Get Tough is his blueprint!**

**Cengage Advantage Books: Making America, Volume 2 Since 1865: A History of the United States**

**Oct 09 2020 Developed to meet the demand for a low-cost, high-quality history book, this economically priced version of MAKING AMERICA, Seventh Edition offers readers the complete narrative while limiting the number of features, photos, and maps. *Make America Hate Again Apr 26 2022 Horror films have traditionally sunk their teeth into straitened times, reflecting, expressing and validating the spirit of the epoch, and capitalising on the political and cultural climate in which they are made. This book shows how the horror genre has adapted itself to the transformation of contemporary American politics and the mutating role of traditional and new media in the era of Donald Trump's Presidency of the United States. Exploring horror's renewed potential for political engagement in a socio-political climate characterised by the angst of civil conflict, the deception of 'alternative facts' and the threat of nuclear or biological conflict and global warming, Make America Hate Again examines the intersection of film, politics, and American culture and society through a bold critical analysis of popular horror (films, television shows, podcasts and online parodies), such as 10 Cloverfield Lane, American Horror Story, Don't Breathe, Get Out, Hotel Transylvania 2, Hush, It, It Comes at Night, South Park, The Babadook, The Walking Dead, The Woman, The Witch and Twin Peaks: The Return. The first major exploration of the horror genre through the lens of the Trump era, it investigates the correlations between recent, culturally*

**meaningful horror texts, and the broader culture within which they have become gravely significant. Offering a rejuvenating, optimistic, and positive perspective on popular culture as a site of cultural politics, *Make America Hate Again* will appeal to scholars and students of American studies, film and media studies, and cultural studies.**

***How America Lost Its Mind* Jul 18 2021 Americans are losing touch with reality. On virtually every issue, from climate change to immigration, tens of millions of Americans have opinions and beliefs wildly at odds with fact, rendering them unable to think sensibly about politics. In *How America Lost Its Mind*, Thomas E. Patterson explains the rise of a world of “alternative facts” and the slow-motion cultural and political calamity unfolding around us. We don’t have to search far for the forces that are misleading us and tearing us apart: politicians for whom division is a strategy; talk show hosts who have made an industry of outrage; news outlets that wield conflict as a marketing tool; and partisan organizations and foreign agents who spew disinformation to advance a cause, make a buck, or simply amuse themselves. The consequences are severe. *How America Lost Its Mind* maps a political landscape convulsed with distrust, gridlock, brinksmanship, petty feuding, and deceptive messaging. As dire as this picture is, and as unlikely as immediate relief might be, Patterson sees a way**

***forward and underscores its urgency. A call to action, his book encourages us to wrest institutional power from ideologues and disruptors and entrust it to sensible citizens and leaders, to restore our commitment to mutual tolerance and restraint, to cleanse the Internet of fake news and disinformation, and to demand a steady supply of trustworthy and relevant information from our news sources. As philosopher Hannah Arendt wrote decades ago, the rise of demagogues is abetted by “people for whom the distinction between fact and fiction, true and false, no longer exists.” In How America Lost Its Mind, Thomas E. Patterson makes a passionate case for fully and fiercely engaging on the side of truth and mutual respect in our present arms race between fact and fake, unity and division, civility and incivility.***

***The America We Deserve Apr 14 2021 The essential, bestselling book that first defined President Donald Trump's political ideas. The America We Deserve is the essential book for anyone who wants to understand the core of Donald Trump's political thinking. In this book, written as he first considered running for president in 2000, Trump offers no-nonsense, populist, provocative, and dramatic solutions to issues that continue to resonate with voters today. In this book, Trump lays out a vision for America that is strong, optimistic, and founded on core Republican principles of self-***

***reliance, limited governance, economic growth, and equitable taxation. Striking for its similarities to President Trump's current initiatives--but also fascinating in its differences--The America We Deserve reveals a man who is fully engaged with the nation and cares deeply about its future. Readers and voters will discover Trump's ideas on: \*Foreign policy and relations with China, Russia, North Korea, and Israel \*How to fix our broken and underperforming education system \*Reducing regulations on business to help create jobs and economic growth \*A dramatic one-time tax on the super-wealthy to close the national debt and fuel tax cuts for the middle class \*Immigration, crime, terrorism, and more The America We Deserve is essential reading for Trump-watchers, voters, Republicans, Democrats, and anyone interested in how Trump the businessman became Trump the president.***

***250 Ways to Make America Better Dec 03 2022 From the creators of "George" magazine comes a vibrant chorus of voices with a dazzling variety of opinions on how to make our country the best it can possibly be. Line drawings.***

***Summary of Trump's America by Newt Gingrich: Conversation Starters Mar 02 2020 Trump's America by Newt Gingrich: Conversation Starters Former House Speaker Newt Gingrich writes another New York Times bestselling book entitled***

***Trump's America: The Truth about Our Nation's Great Comeback. Nobody has the experience and insight that Gingrich has towards the American nation. In 1980, he helped President Ronald Reagan in his campaign to "Make America Great Again." He wrote the Contract with America. In 1994, he led the Republican Revolution. This ensured that the Republicans will control the House of Representatives after 40 years. He has fought against the Washington swamp. He challenged the establishment all throughout his career. In his new book Trump's America, he illustrates how Trump is leading the American nation's great comeback. He details the fights that the Oval Office has with Republican tax cuts, the Southern Border Wall and efforts to oppose and undermine the President. He reveals the truth about Trump's presidency that the public knows little of and the media... A Brief Look Inside: EVERY GOOD BOOK CONTAINS A WORLD FAR DEEPER than the surface of its pages. The characters and their world come alive, and the characters and its world still live on. Conversation Starters is peppered with questions designed to bring us beneath the surface of the page and invite us into the world that lives on. These questions can be used to... Create Hours of Conversation: - Promote an atmosphere of discussion for groups - Foster a deeper understanding of the book - Assist in the study of the book, either individually or***

**corporately - Explore unseen realms of the book as never seen before Disclaimer: This book you are about to enjoy is an independent resource meant to supplement the original book. **Lincoln on the Verge Jan 12 2021 WINNER OF THE LINCOLN FORUM BOOK PRIZE “A Lincoln classic...superb.” –The Washington Post “A book for our time.” –Doris Kearns Goodwin Lincoln on the Verge tells the dramatic story of America’s greatest president discovering his own strength to save the Republic. As a divided nation plunges into the deepest crisis in its history, Abraham Lincoln boards a train for Washington and his inauguration—an inauguration Southerners have vowed to prevent. Lincoln on the Verge charts these pivotal thirteen days of travel, as Lincoln discovers his power, speaks directly to the public, and sees his country up close. Drawing on new research, this riveting account reveals the president-elect as a work in progress, showing him on the verge of greatness, as he foils an assassination attempt, forges an unbreakable bond with the American people, and overcomes formidable obstacles in order to take his oath of office.**

**Un-Trumping America Oct 01 2022 From the #1 New York Times bestselling author of Yes We (Still) Can and cohost of Pod Save America, a sharp**

***political playbook for how Democrats can take on the right-wing circus dominating American politics. There is nothing more important than beating Donald Trump in 2020, but defeating Trump is just the start of this timely book. Un-Trumping America offers readers three critical insights: first, Trump is not an aberration, but rather the logical extension of the modern Republican Party; second, how Democrats can defeat Trump in 2020; and third, preventing the likes of Trump from ever happening again with a plan to fix democracy. While the catalog of the president's crimes is long and growing, undoing Trumpism—the political platform of racism, authoritarianism, and plutocracy that gave rise to Trump and defines the Republican Party—is a long and continuing fight. Through a craven, cynical strategy engineered by Mitch McConnell, funded by the Kochs, and fueled by Fox News propaganda, Republicans have rigged American politics to drown out the voices of the people in favor of the powerful. Without an aggressive response that recognizes who the Republicans are and what they have done, American democracy as we know it won't survive this moment and a conservative, shrinking, mostly white minority will govern the country for decades. Un-Trumping America dismantles toxic Trumpism and offers a way forward. Dan Pfeiffer worked for nearly twenty years at the center of Democratic politics,***

***from the campaign trail to Capitol Hill to Barack Obama's White House. But it was Trump's victory and Republicans' incessant aiding and abetting of Trumpism that has radicalized his thinking. Here, Pfeiffer urges Democrats to embrace bold solutions—from fixing the courts to abolishing the electoral college to eliminating the filibuster—in order to make America more democratic (and Democratic). Un-Trumping America is a powerful call for Democrats and progressives to get smarter, tougher, and more aggressive without becoming a paler shade of orange.***
