In the old world shadows of Providence, Rhode Island, Nina Grey finds herself the center of a war between Hell and Earth. Struggling with her father's recent death, Nina meets Jared Ryel by chance...or so she believes. Although his stunning good looks and mysterious talents are a welcome distraction, it soon becomes clear that Jared knows more about Nina than even her friends at Brown University. When questions outnumber answers, Jared risks everything to keep the woman he was born to save—by sharing the secret he was sworn

to protect. When her father's former associates begin following her in the dark, Nina learns that her father is not the man she thought he was, but a thief who stole from demons. Searching for the truth behind her father's death, Nina stumbles upon something she never expected—something Hell wants—and only she holds the key. "They killed me, but I survived." Three years after Rory Riordan foiled her own murder, she still trusts no one. Not Dr. Z, the eccentric college professor who has taken her under his wing, not Benji, the endearing, attractive classmate who insists on following her around, and certainly not Cy, the beautifully dark and mysterious boy who sits on the first row in Dr. Z's Astrobiology class and asks far too many questions. When Rory witnesses Cy being abducted by soldiers in the middle of the night, she finds herself submersed in a world that holds even more secrets than she could imagine--even darker secrets than her own. to return to the one place he's felt at peace: Colorado Springs, Colorado. The moment Trex checks in at the hotel where she's working, Darby knows he's dangerous. Fresh out of college, Ellison Edson has fallen through the cracks of rock bottom. While staying in her family's vacation home in Colorado, her behavior has finally gained the attention of her parents-but not in the way she hoped. Cut off from the millions she's always taken for granted, and left alone to fend for herself, Ellie spirals further out of control, making a mistake she can't take back. Like his twin brother Taylor, Tyler Maddox is a member of the Alpine Hotshots, fighting wildland fires on the frontline. As arrogant as he is charming, Tyler's nomadic lifestyle makes it easy to contain his relationships to one night. When he meets Ellie at a local party during off-season, her extreme personality and dismissive attitude fascinates him at first, but as his feelings deepen, Tyler realizes that the crippling inner demons of the woman he loves might be the strongest enemy any Maddox has ever faced. Travis ist hart im Nehmen. Aufgewachsen in einer Familie von Männern, weiß er sich durchzuschlagen. Er ist bekannt als Weiberheld und Kämpfer. Alle Jungs möchten an seiner Stelle sein, alle Mädchen an seiner Seite. Doch Abby ist anders. Sie schenkt ihm keine

Bewunderung und schmachtet ihn nicht aus ihren großen, grauen Augen an. Sie wirkt unschuldig und zerbrechlich, aber Travis spürt, dass sie ein dunkles Geheimnis verbirgt. Er ist fasziniert von ihr, und er macht sich daran, das zu tun, was er seiner Mutter versprochen hat: Er kämpft für seine Liebe. Unaufhaltsam. Nicholas Hunt is the man I hate. For good reason. His opinion of me is tainted by prejudice even before my arrival at his grandmother's estate, and my first impression of him is just as abysmal. His arrogance and icy demeanor make it clear that he's the type of man who's best handled at a distance. Fortunately, space shouldn't be an issue inside this Gilded Age mansion and its lush gardens. If I stick with the servants and he keeps to his sailboat and vintage Porsche, we should hardly cross paths at all. Unfortunately, at Rosethorn, I find that all roads eventually lead to Nicholas Hunt. Sparks fly as we spar at the dinner table. Fighting words are flung in the shadows of the palatial halls. We hang suspended in our hatred of one another, painfully oblivious to the heat and tension that build with every moment we're left alone. We're liable to kill one another, I think...right up until my eyes land on his lips and a new feeling grips hold of me: lust. What's worse? He knows it. They say you should keep your enemies close, but when Nicholas tightens his grip on my waist and draws me near, I'm not sure if it's out of loathing or love. One thing's for sure-I intend to find out. Liis Lindy ist eine ehrgeizige und knallharte FBI-Agentin. In einer Bar lernt sie den Sonderermittler Thomas Maddox kennen. Sein Auftrag lautet, die härtesten Kriminellen hinter Gitter zu bringen – und dabei macht ihm keiner etwas vor. Er gilt als arrogant und unnahbar. Doch dann gelingt es ausgerechnet der sturen und unverbesserlichen Liis, Thomas' harte Schale zu knacken, und sie merkt: Liebe kennt keine Kompromisse – schon gar nicht für Thomas Maddox! When a deadly outbreak threatens everyone, Scarlet, Nathan, and Miranda seek shelter at the Red Hill ranch, as their relationships and instincts for survival are tested in an apocalyptic world. #1 New York Times Bestseller Jamie McGuire

returns to self-publishing with this page-turning YA account of Erin Easter, one of three Erins in the small senior class of rural Blackwell High School who not only share a first name, but also their birthday. Easter, raised by a neglectful single mom, keeps to herself and admires Weston Gates from afar. The other Erins, Erin "Alder" Alderman and Erin "Sonny" Masterson are the darlings of the community: daughters of the two wealthiest families in town, best friends, cheerleaders, and everything Easter isn't--and they never let her forget it. Alder has even claimed Weston since the 8th grade. Weston is a well-liked star athlete, and the son of two prominent attorneys. He struggles daily with the pressures of living up to his family name and secretly empathizes with Easter's feeling that she belongs somewhere else; in a different life. Not until he begins sneaking nights out with Easter does he gain the courage to buck expectations and acknowledge his feelings ... both for his future, and for her. A shocking tragedy rocks the tiny town, and Easter's life is turned upside down in the best way possible. But when the truth is revealed and everything she thinks she wanted falls into her lap, life only becomes more complicated. Happenstance: A Novella Series (Part One) is an USA TODAY best seller! Flat-Out Love is a warm and witty novel of

family love and dysfunction, deep heartache and raw vulnerability, with a bit of mystery and one whopping, knock-you-to-your-knees romance. Something is seriously off in the Watkins home. And Julie Seagle, college freshman, small-town Ohio transplant, and the newest resident of this Boston house, is determined to get to the bottom of it. When Julie's off-campus housing falls through, her mother's old college roommate, Erin Watkins, invites her to move in. The parents, Erin and Roger, are welcoming, but emotionally distant and academically driven to eccentric extremes. The middle child, Matt, is an MIT tech geek with a sweet side ... and the social skills of a spool of USB cable. The youngest, Celeste, is a frighteningly bright but freakishly fastidious 13-year-old who hauls around a life-sized cardboard cutout of her oldest brother almost everywhere she goes. And there's that oldest brother, Finn: funny, gorgeous, smart, sensitive, almost emotionally available. Geographically? Definitely unavailable. That's because Finn is traveling the world and surfacing only for random Facebook chats, e-mails, and status updates. Before long, through late-night exchanges of disembodied text, he begins to stir something tender and silly and maybe even a little bit sexy in Julie's suddenly lonesome soul. To Julie, the emotionally scrambled members of the Watkins family add up to something that ... well ... doesn't quite add up. Not until she forces a buried secret to the surface, eliciting a dramatic confrontation that threatens to tear the fragile Watkins family apart, does she get her answer. Flat-Out Love comes complete with emails, Facebook status updates, and instant messages. She had seen the unspeakable. She would learn the unknowable. Now, she would fight the invincible. In the third and final installment of the Providence series, Nina Grey will marry the wrong man, carry the child that was never supposed to be born, and fight a war she can't win. The loves and loss of Thomas Maddox, the eldest Maddox brother, is told from the point-of-view of Liis Lindy, a no-nonsense agent of the FBI. Will the invincible Travis 'Mad Dog' Maddox be defeated by a girl? Dreaming of the dead might mean a restless night for anyone, but for Nina Grey, it was a warning. Still healing from her last run-in with Hell, Nina struggles with recurring nightmares about her father's violent death. She believes her sleepless nights are the least of her problems-- but she's wrong. When Jared's worst fear comes to fruition, he is faced with a choice: Fight Hell alone, or start a war with Heaven. Being thirteen has pitfalls of its own, but growing up has never been this hard. Jenna had promised her mother that if the worst happened during her dad's weekend, they would meet at Red Hill Ranch. When she finds seven words spray-painted on her dad's wall the morning after a deadly outbreak, she makes a promise to herself: to get to the ranch with her seven-year-old sister, Halle, and to get them both there alive. *Among Monsters* is the companion novella to *Red Hill*, both exploring from different perspectives what many broken families experience every other weekend: What if your children aren't with you when the world ends? What would you do to get to them? What would they go through to get to you? For Jenna, seeing her mother again is worth everything. Determined to keep her promise, she is faced with experiences and decisions that force her to leave her childhood behind. Falyn Fairchild can walk away from anything. Already leaving behind her car, her education, and even her parents, the daughter of the next governor of Colorado is back in her hometown, broke and waiting tables for the Bucksaw Café. After every shift, Falyn adds to her shoebox of cash, hoping to one day save enough to buy her a plane ticket to the only place she can find forgiveness: Eakins, Illinois. The moment Taylor Maddox is seated in Falyn's section at the Bucksaw, she knows he's trouble. Taylor is charming, breaks promises, and gorgeous even when covered in filth—making him everything Falyn believes a hotshot

firefighter to be. Falyn isn't interested in becoming another statistic, and for a Maddox boy, a disinterested girl is the ultimate challenge. Once Falyn learns where Taylor calls home, everything changes. In the end, Maddox persistence is met with Falyn's talent for leaving, and for the first time, Taylor may be the one to get burned. Tells the story of Josh and Avery's relationship, alternating between their individual points of view. Josh : It is enough to break any man: watching what could have been my future slip away before it was ever in my grasp. The possibility of losing someone I loved, before she was even mine, is something I never would have imagined. Certainly nothing I'd ever wish on anyone. I go to her every day and wait. Wait for the impossible, for a sign, for her to look at me ... hoping sinners are granted miracles, too. Avery : Just one glimpse of him was all it took. In the next lane, at a stop light, was the man I would fall in love with and marry. People talk about the kind of love that takes time - love you fall in to. We were more like a crash and burn, and when our lives intertwined I would never be the same. He was the man I would cherish the rest of my life, who would father my children. In an instant our life together began, and in an instant it would end. The late nights; the excuses; the lies. And in the blink of an eye, it was like we never were. Be careful what you wish for. You just might get it all. Now that Erin has learned the truth about the girls who tortured her, and about the boy she loves, she finds her time before graduation dwindling at an alarming and exciting pace. What used to be summer break was now a countdown to her final days in Blackwell. Her parents, Sam and Julianne struggle with the fear that just when they've found Erin, they must let her go, and the tension is higher than it's been since Erin discovered who she really was. Finally with the girl he's loved since childhood, Weston grows more desperate as the summer days pass. He and Erin will go to separate colleges. His biggest fear is that this means they'll go their separate ways. Plagued with making the best of the time he has left with Erin, and finding a way to make it last, Weston finds himself in

a different state of mind hourly. He is just beginning to realize that hope is like quicksand. The harder Weston struggles, the faster Erin sinks. New York Times and USA Today bestseller!
