Holocaust Theology Nov 23 2021 Where was God during the Holocaust? And where has God been since? How has our religious belief been changed by the Shoah? For more than half a century, these questions have haunted both Jewish and Christian theologians. Holocaust Theology provides a panoramic survey of the writings of more than one hundred leading Jewish and Christian thinkers on these profound theological problems. Beginning with a general introduction to Holocaust theology and the religious challenge of the Holocaust, this sweeping collection brings together in one volume a coherent overview of the key theologies which have shaped responses to the Holocaust over the last several decades, including those addressing perplexing questions regarding Christian responsibility and culpability during the Nazi era. Each reading is preceded by a brief introduction. The volume will be invaluable to Rabbis and the clergy, students, scholars of the Holocaust and of religion, and all those troubled by the religious implications of the tragedy of the Holocaust. Contributors include Leo Baeck, Eugene Borowitz, Stephen Haynes, Abraham Joshua Heschel, Steven T. Katz, Primo Levi, Jacob Neusner, John Pawlikowski, Rosemary Radford Reuther, Jonathan Sarna, Paul Tillich, and Elie Wiesel.

Studies in Philosophy and the History of Philosophy Vol. 4 May 30 2022 The character of this work is perhaps sufficiently indicated by its title. However it must be noted that the term "philosophy" is not used so strictly as to exclude material from other disciplines connected with philosophy or helpful to it and to an unders

El modernismo religioso y su crisis. Oct 03 2022 La decisión de perseverar, “in spe”, experimentando desarraigo y conflicto, ¿significaba, para los católicos en el inicio del siglo XX, urgir la renovación de su Iglesia? Ernesto Buonaiuti recordó que la salvación viene de la cruz, no de la dialéctica sutil de la especulación racional. Las palabras libertad y rescate jamás han sido usadas por los grandes maestros de la espiritualidad cristiana, incluido San Agustín. La Iglesia lo olvidó y, en el período entre guerras, pactará con quienes estaban destruyendo la libertad y aplastando la dignidad de las personas. Ser fieles al Evangelio obliga a defenderlas. Los modernistas venían de una tradición cultural plural. Cada uno buscó vivir y actuar libremente. Los unió la amistad. La historia del modernismo viene dada por las biografías de sus actores. Su correspondencia y sus escritos son una fuente imprescindible. Esta investigación tiene tres partes. A los preliminares, seguirán la condena del modernismo, 1907-1914, y la situación de modernistas y anti-modernistas con Benedicto XV.

The Inveterate Dreamer Nov 04 2022 Not only do "modern" Jewish languages like Yiddish and Hebrew have their own Jewish writers, but every major Western tongue?from German and Russian to English and Portuguese?does as well. These writers are often at the crossroad between the two traditions: their Jewish one and their own national one. Is there such a thing as a modern Jewish literary tradition, one navigating across linguistic and national lines? If so, how should one define it? Ilan Stavans is uniquely qualified to answer these questions and to comment on the power and challenges of cultural margins and literary crossings. He has been at the forefront of an appreciation of the Jewish literary tradition that is less asphyxiating, more global. His reflections on Jewish Latin America have won him the nickname "pathfinder." This incomparable volume showcases Stavans's most insightful and provocative?and at times controversial?observations on transnational Jewish culture and literature. Stavans explores the problems and prospects of representing Jewish experiences through such media as Holocaust memoirs and Jewish museums; astutely comments on well-known intellectual figures, including Lionel Trilling, Isaac Babel, Primo Levi, Harold Bloom, and Walter Benjamin; engages in memorable conversations with Norman Manea, Joseph Brodsky, and Ariel Dorfman; and offers compelling glimpses of revelatory moments in his own life.

Topics in Latin Philosophy from the 12th–14th centuries Jun 30 2022 Sten Ebbesen has contributed many works in the field of ancient and medieval philosophy over decades of dedicated research. His crisp and lucid style and his philosophical penetration of often difficult concepts and issues is both clear and intellectually impressive. Ashgate is proud to present this thematically arranged three volume set of his collected essays, each thoroughly revised and updated. Volume Two: Topics in Latin Philosophy from the 12th -14th Centuries explores issues in medieval philosophy from the time nominalists and other schools competed in twelfth-century Paris to the mature scholasticism of Boethius of Dacia, Radulphus Brito and other 'modist' thinkers of the late thirteenth century and, finally, the new nominalism of John Buridan in the fourteenth century.

God Is Young Mar 16 2021 “[A] beautiful book of hope and inspiration . . . Pope Francis speaks frankly about problems facing the young and the elderly, Catholic and non-Catholic.”—Publishers Weekly (starred review) Pope Francis examines the role of millennials in the future of the Catholic Church in this urgent call to believers of all generations to work together to build a better world. Since his election in 2013, Pope Francis has reinvigorated the Catholic Church and become one of the most popular global leaders. Now, in this extraordinary interview with journalist Thomas Leoncini, His Holiness reminds Catholics of all ages that “God is young; He is always new.” God has energy, spontaneity, and the desire for change—youthful qualities that can be rallied to fight the many problems facing the Catholic Church and the world at large. In this inspiring volume, published in English for the first time, Pope Francis's solution to these challenges is simple: a “revolution of tenderness” that unites believers of all ages in a mission to remake the world. “God is young! God is the Eternal One who has no time, but is able to renew and rejuvenate Himself and all things continually. The most distinctive attributes of the young are also His. He is young because He makes all things new and loves innovation; because He astonishes and loves astonishment; because He dreams and wants us to dream.”—Pope Francis Praise for *God Is Young* “Enlightening . . . The interview is extremely wide-ranging. [Pope Francis's] answers contemplate not only philosophy but such quotidian things as plastic surgery, pets, cell phones, consumerism, and more. The pope's answers are generous in their length, some being even mini homilies. But all are thoughtful and thought-provoking, of interest and benefit to readers of all ages.”—Booklist (starred review)

Il cristianesimo come avvenimento Jan 06 2023 Luigi Giussani aveva una personalità dirompente, la sua testimonianza di fede è stata ed è tuttora straordinariamente contagiosa e ricca di frutti, ma non si renderebbe adeguatamente conto di essa e della sua peculiare fecondità di risultati se ci si dimenticasse che nella sua proposta generativa di affinità e di popolo si esprime una genialità di pensiero. Gli esiti di molte sue riflessioni in ambito teologico, filosofico e pedagogico hanno infatti un marcato carattere di originalità e hanno profondamente, seppure a volte sotterraneamente, influenzato la cultura contemporanea. Talune intuizioni e categorie, cui quelle riflessioni hanno dato luogo, sono state ampiamente riprese, fino al punto di entrare a far parte del patrimonio comune, come per esempio quella di avvenimento, assunta sotto il profilo teologico come definizione dell'essenza del cristianesimo. Il Centenario della nascita è un'occasione propizia per illuminare ulteriormente il carattere sorgivo e la consistenza del pensiero di Luigi Giussani, la sua originalità e le sue ancora largamente inesplorate virtualità. Il presente volume - il primo dei tre progettati in vista del Centenario, rispettivamente dedicati al suo pensiero teologico, filosofico e pedagogico-sociale -, curato da Carmine Di Martino, raccoglie contributi di teologi, studiosi ed esponenti di spicco del cristianesimo contemporaneo.
