*Sri Lanka* Feb 25 2023 In the past decade, Sri Lanka has been engulfed by political tragedy as successive governments have failed to settle the grievances of the Tamil minority in a way acceptable to the majority Sinhala population. The new Premadasa presidency faces huge economic and political problems with large sections of the island under the control of the Indian Peace-Keeping Force (IPKF) and militant separatist Tamil groups operating in the north and south. This book is not a conventional political history of Sri Lanka. Instead, it attempts to shed fresh light on the historical roots of the ethnic crisis and uses a combination of historical and anthropological evidence to challenge the widely-held belief that the conflict in Sri Lanka is simply the continuation of centuries of animosity between the Sinhalese and the Tamils. The authors show how modern ethnic identities have been made and re-made since the colonial period with the war between Tamils and the Sinhala-dominant government accompanied by rhetorical wars over archeological sites and place-name etymologies, and the political use of the national past. The book is also one of the first attempts to focus on local perceptions of the crisis and draws on a broad range of sources, from village fieldwork to newspaper controversies. Its interest extends beyond contemporary politics to history, anthropology and development studies.

*The Journey of Self-Discovery* Oct 29 2020 Srila Prabhupada declares, "We don't say that this scientific knowledge is useless. Mechanics, electronics - this is also knowledge. But the central point is atma-jnana - self-knowledge, knowledge of the soul." In these thirty-one essays, talks, and informal conversations, Srila Prabhupada reveals the central point of essential self-knowledge - a knowledge that makes all other knowledge and activities pale in comparison. Brighten your life with the light of self-knowledge and gain a world perspective usually reserved for ascetics and saints.

**The History of the Buddha's Relic Shrine** Jul 06 2021 Offering the complete English translation of the Buddhist chronicle called the 'Sinhala Thupavamsa', composed by Parākrama Paṇḍita in 13th century Sri Lanka, this work also relates the mythological history of the Buddhas previous lives as a bodhisattva and concludes with a prediction about the future Buddha Maitreya.

**Christ, The Messenger** Apr 03 2021 Swami Vivekananda was a great admirer of Jesus Christ. We find his heartfelt adoration for this Messiah spread throughout his Works. This booklet published by Advaita Ashrama, a Publication House of Ramakrishna Math, Belur Math, India, contains a lecture delivered by him on Christ at Los Angeles in 1900.

**NATURAL LANGUAGE PROCESSING** Nov 10 2021 This book presents a Paninian perspective towards natural language processing. It has three objectives: (1) to introduce the reader to NLP, (2) to introduce the reader to Paninian Grammar (PG) which is the application of the original Paninian framework to the processing of modern Indian languages using the computer, (3) to compare Paninian Grammar (PG) framework with modern Western computational grammar frameworks. Indian languages like many other languages of the world have relatively free word order. They also have a rich system of case-endings and post-positions. In contrast to this, the majority of grammar frameworks and designed for English and other positional languages. The unique aspect of the computational grammar describes here is that it is designed for free word order languages and makes special use of case-endings and post-positions. Efficient parsers for the grammar are also described. The computational grammar is likely to be suitable for other free word order languages of the world. Second half of the book presents a comparison of Paninian Grammar (PG) with existing modern western computational grammars. It introduces three western grammar frameworks using examples from English: Lexical Functional Grammar (LFG), Tree Adjoining Grammar (TAG), and Government and Binding (GB). The presentation does not assume any background on part of the reader regarding these frameworks. Each presentation is followed by either a discussion on applicability of the framework to free word order languages, or a comparison with PG framework.

*Essence of Vajrayana* Mar 14 2022 With this book, Venerable Geshe Kelsang Gyatso Rinpoche explains with clarity and precision how we can practice the sublime meditations of Heruka body mandala, and thereby gradually transform our ordinary world and experiences into those of a Buddha, a fully enlightened being. *Phaldeepika* Aug 27 2020 Mantreswar was the greatest astrologer of the 12th century from the South of India. He compiled in Sanskrit the principles of Predictive Astrology propagated by Maharshi Parashar, Jaimini and various other great astrologers in his famous work Phaldeepika. This is one of the best books on Predictive Astrology. It includes the essence of Parashar, Jaimini and many more masters. Four hundred and fifty Yogas of Bhavartha Ratnakar of Shri Ramanuja have been added to benefit the title Phaldeepika; Bhavartha Bodhini. The 28 chapters in the book cover various topics: the characteristics, house divisions, strength of planets, career, various yogas, raja yogas, marriage, children, longevity, periodic influence of planets, the effect of transits and ashtakvargas. The 11th chapter exclusively deals with the nativity of women; the 22nd chapter gives the interpretations and calculation of the Kalachakra dashas. This English edition also includes many horoscopes, tables and a glossary of Sanskrit and Hindi words. The language is easy to understand and even beginners after studying this book for a few months will be able to arrive at the right interpretations and timing of events.

**Take the L. E. A. P.** Nov 29 2020 Take the L.E.A.P.: Ignite a Culture of Innovation will inspire and support you as you to take steps to grow beyond traditional and self-imposed boundaries. Written by a local host, it is based on intimate knowledge of the island. \*History and culture Sri Lanka's past and present explained in a nutshell. \*Tailor-made itineraries Seven itineraries cover the main sights of Colombo and its surroundings. \*Selected excursions Six excursions explore the hill towns and beaches of Sri Lanka. \*Shopping, eating out and nightlife Tips on what to buy, where to eat and where to stay out late. \*Essential practical information Hotels, climate, currency, getting around, useful addresses, etc. \*Detailed pull-out map This gives an overview of the tours and can also be used independently of the guide

Multiple City Feb 13 2022 Founded by the chieftain Kempe Gowda around 1537, the story of Bangalore has no grand linear narrative. The location has revealed different facets to settlers and passers-through. The city, the site of bloody battles between the British and Tipu Sultan, was once attached to the glittering court of Mysore. Later, it became a cantonment town where British troops were stationed. Over time, it morphed into a city of gardens and lakes, and the capital of PBI - Indian scientific research. More recently, it has been the hub of PBI - India's information technology boom, giving rise to Brand Bangalore, an PBI - Indian city whose name is recognized globally. Hidden beneath these layers lies a cosmopolitan city of sub-cultures, engaging artists and writers, young geeks and students. People from every corner of PBI - India and beyond now call it home. In this collection of writings about a multi-layered city, there are stories from its history, translations from Kannada literature, personal responses to the city's mindscape, portraits of special citizens, accounts of searches for lost communities and traditions, among much more. U.R. Ananthamurthy writes about Bangalore's Kannada identity; Shashi Deshpande maps the city through the places she has lived in since she was a young girl; Anita Nair draws a touching portrait of a florist who celebrates the glories of the Raj; Ramachandra Guha describes his close bond with Bangalore's most unusual bookseller; and Rajmohan Gandhi recounts the Mahatma's trysts with the city. From traditional folk ballads to a nursery rhyme about Bangalore, from poems to blogs, from reproductions of turn of the twentieth century picture postcards to cartoons, Multiple City is the portrait of a metropolis trying to retain its roots as it hurtles into the future.

**Civilization and Transcendence** Dec 31 2020 In June 1976, Bhavan's Journal, a Bombay cultural and religious magazine, sent various religious and spiritual leaders a questionnaire looking for enlightened answers to some of the perplexing questions of the day, such as the place of religion in modern society. One recipient of their questionnaire was Srila Prabhupada, who took the opportunity to make a thorough presentation of the ideal Vedic civilization, show the faults of modern society from the viewpoint of transcendence, and offer practical solutions based on Krishna conscious teachings. His answers to the questionnaire were later compiled and published in this compact and lively book.

**Studies in Pali and Buddhism** Apr 22 2020 Jagdish Kashyap, 1908-1976, Buddhist scholar from Bihar, India; contributed articles.

**What the Buddha Taught** Dec 23 2022 This indispensable volume is a lucid and faithful account of the Buddha's teachings. "For years," says the Journal of the Buddhist Society, "the newcomer to Buddhism has lacked a simple and reliable introduction to the complexities of the subject. Dr. Rahula's What the Buddha Taught fills the need as only could be done by one having a firm grasp of the vast material to be sifted. It is a model of what a book should be that is addressed first of all to 'the educated and intelligent reader.' Authoritative and clear, logical and sober, this study is as comprehensive as it is masterly." This edition contains a selection of illustrative texts from the Suttas and the Dhammapada (specially translated by the author), sixteen illustrations, and a bibliography, glossary, and index.

The Illustrated Foods of India Jul 26 2020 The Illustrated Foods of India contains a wealth of information on the food materials, food ethos, cuisine, and recipes of India. Drawing up material from a range of sources - literature, archaeology, epigraphic records, anthropology, philology, and botanical and genetic studies - the book details the history of Indian food from the prehistoric times through British rule till date. Arranged in alphabetical order, the book is profusely illustrated with line drawings and photographs.

Surya-Siddhanta : Text with English Translation May 04 2021 Surya Siddhanta of Varaha as given in his panca Siddantika are almost the same as those of the khandakhadyaka, it is clear that the old surya siddhanta was made up to date by Varaha by replacing the old constants in it by new ones from Aryabhata I's midnight system.

**Yasodhara, the Wife of the Bodhisattva** Aug 19 2022 Translations of two works from Sri Lanka on Yasodharā, the wife of the Buddha—an allusive and intriguing figure in Buddhist lore and literature.

Buddhist Rituals of Death and Rebirth Sep 08 2021 In Buddhist thought and practice, death has always been a central concept. This book provides a careful and thorough analysis of the rituals and social customs surrounding death in the Theravada tradition of Sri Lanka. Rita Langer describes the rituals of death and rebirth and investigates their ancient origins, analyzing social issues of the relationship between monks and lay people in this context. This aspect is of particular interest as death rituals are the only life cycle ritual in which Theravada Buddhist monks are actively involved. Drawing on early Vedic sutras and Pali texts as well as archaeological and epigraphical material, Buddhist Rituals of Death and Rebirth establishes that Sri Lankan rituals are deeply rooted in their pre-Buddhist, Vedic precursors. Whilst beliefs and doctrines have undergone considerable changes over the centuries, it becomes evident that the underlying practices have largely remained stable. The first comprehensive study of death rituals in Theravada Buddhist practice, this is an important contribution to the fields of Buddhist studies, indology, anthropology and religious studies.

Japrocksampler Sep 27 2020 Julian Cope, eccentric and visionary rock musician, follows the runaway underground success of his book Krautrock sampler with Japrocksampler, a cult deconstruction of Japanese rock music, and reveals what really happened when East met West after World War Two. It explores the clash between traditional, conservative Japanese values and the wild rock 'n' roll renegades of the 1960s and 70s, and tells of the seminal artists in Japanese post-war culture, from itinerant art-house poets to violent refusenik rock groups with a penchant for plane hijacking.
